

MAIRE ELEMENTARY SCHOOL ANNUAL REPORT 2025-26

**LATEST SCORES AND UPDATES
ABOUT OUR MAIRE BEARS**

MAIRE'S MISSION:
PROVIDE A QUALITY
EDUCATIONAL PROGRAM
WHICH PREPARES STUDENTS
TO BE PRODUCTIVE CITIZINS
AND LIFE-LONG LEARNERS.

FROM THE PRINCIPAL

Located in historic Grosse Pointe Village, Maire Elementary School is more than an educational institution; it is a community hub that unites students, families, and residents. Opened in 1936, Maire features distinctive architecture, including Pewabic-tiled fireplaces, alongside modern learning spaces and a new outdoor learning pavilion. Updated instructional technology, including interactive whiteboards and sound systems, blends with Maire's rich history to create a welcoming environment focused on preparing future leaders.

This October, we will proudly celebrate Maire Elementary's 90th anniversary—a remarkable milestone reflecting our longstanding tradition of excellence and community involvement. As one of Grosse Pointe's oldest elementary schools, Maire is proud to continue providing an exceptional education in a setting where history and innovation come together.

Last year, Maire was home to 247 students who found their "home away from home" here. Eleven homeroom teachers focused on developing strong academic foundations while supporting students' social and emotional growth. In addition to Math, Language Arts, Science, and Social Studies, students participate in Library, Art, Vocal and Instrumental Music, and Physical Education. Teachers use technology, flexible groupings, cooperative learning, and project-based instruction to engage students and maintain academic rigor. Staff collaborate regularly in professional learning communities, using student achievement data to meet individual needs. A team of specialized professionals provides additional support in areas including speech, occupational therapy, social work, psychology, reading, English language learning, and special education. Differentiated instruction helps ensure students receive the support and challenge they need to succeed.

Beyond academics, Maire offers extensive enrichment opportunities, including Choir, Student Council, Townhall Crew, Reading Buddies, Service & Safety, Green Team, a school play, and a student talent show. Winter Lunchtime Enrichment offers activities such as yoga, fashion design, improv, and art. Students can also explore STEAM through a Makerspace featuring 3D printers, coding robots, and a Lego wall, while PTO-sponsored programs such as Chess Club, Art, and Golf provide additional opportunities to discover new interests.

These experiences are made possible by dedicated staff, supportive families, and an exceptional PTO. Parents contribute their time and talents in classrooms, on field trips, in the lunchroom, and through school-wide initiatives. The PTO provides assemblies, resources, technology, enrichment programs, and facility enhancements such as Maire's wooden privacy fence and outdoor learning pavilion.

Maire's Positive Behavior Intervention and Supports (PBIS) framework reinforces a nurturing and inclusive culture through clear expectations, consistent routines, and the "Maire-Bear" recognition system. Students develop leadership and responsibility through Safety Patrol, Service Squad, and school-wide Town Hall celebrations. Maire also strives to ensure every student feels welcomed, respected, and valued through cultural education, family engagement, assemblies, and classroom experiences.

Maire is truly a special place that brings together tradition, innovation, and community to provide an outstanding educational experience. Together, our staff, students, and families proudly embody our motto: "We Learn, We Lead, We Lift!"

CORE CURRICULUM

Grosse Pointe Public School System engages in a continuous cycle of improvement grounded in collaboration, continuity, and commitment to guiding principles. We are anchored by our Vision: The premier educational community where we innovate, learn, grow and thrive together, and our Mission: to empower ALL students to reach their full potential through exemplary instruction, innovative experiences, and collaborative community engagement. GPPSS fosters an equitable educational community where every learner can realize their unique potential. Our goal is to offer students rich opportunities to develop the attitudes, values, knowledge, and skills to become engaged, contributing members of society.

Our district employs aligned practices to ensure curriculum, instructional strategies, and assessments work cohesively to maximize learning. All students access a rigorous, relevant curriculum aligned from preschool through graduation. A broad, innovative, and evolving curriculum meets diverse needs and challenges learners to reach their fullest potential. Instruction is differentiated and culturally responsive, rooted in best practices and research. We maintain high expectations while honoring flexibility, innovation, and individual teaching styles to ensure meaningful learning in every classroom, every day. Curricular adjustments are data-informed through ongoing districtwide assessments.

GPPSS curriculum is developed under the leadership of the Educational Programs Leadership Council (EPLC) — a collaborative body of teachers, parents, students, and administrators. Curriculum aligns with state standards across disciplines and integrates exemplary local and national standards. EPLC reviews curriculum committee reports and presents them to the Board of Education with recommendations for assessments, professional development, technology integration, and culturally responsive instructional strategies. GPPSS offers a wide range of Advanced Placement (AP) courses, engaging enrichment programs, and a comprehensive special education program to ensure pathways to success for all students. The Strategic Plan guides curriculum and instructional practice design and review. All curricular areas undergo a four-phase cyclical review process:

- Phase 1 – Curriculum review and study (currently Y5-5 Report Card, ELA grades 6-12, Technology Y5-12)
- Phase 2 – Goal and program development (Performing Arts/Drama, Business, Industrial Tech)
- Phase 3 – Implementation of new curricula
- Phase 4 – Ongoing maintenance and improvement

GPPSS supports a robust professional development program, combining teacher-selected opportunities with district-prioritized training. This promotes professional growth while aligning practices with district goals. We are committed to fostering a culture of modern learning and innovation, preparing students to thrive in a dynamic world. Our programs cultivate critical thinking, creativity, collaboration, and adaptability, equipping students for diverse future pathways. Emerging technologies are thoughtfully integrated to enhance learning, promote problem-solving, and encourage engagement — while keeping learning human-centered and grounded in real-world application. By embracing innovation, GPPSS empowers students to explore ideas, develop practical skills, and become adaptable, forward-thinking contributors to their communities.

SCHOOL IMPROVEMENT PLAN

Goal 1: By the end of the 2025-26 school year, we will provide aligned MTSS Tiered instruction and interventions in Reading, resulting in a 2-3% increase in NWEA or PSAT Reading scores school-wide from Fall 2025 to Spring 2026.

Goal 2: By the end of the 2025-26 school year, we will provide aligned MTSS Tiered instruction and interventions in MATH, resulting in a 2-3% increase in NWEA or PSAT Math scores schoolwide from Fall 2025 to Spring 2026.

Maire's School Improvement Plan includes objectives and strategies that align with the district and school mission, as well as the approved curriculum. Staff development is an integral component of the ongoing school improvement process.

Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student. The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal. GPPSS also has in place policies and guidelines for promotion and retention.

ANNUAL NOTICES

FERPA Notice

The Grosse Pointe Public School System may, upon request, release the following directory information: student name, grade level, graduation date, height and weight if an athlete, participation in school activities, honors and awards, photographs and videos of students in school activities, and student name, addresses and telephone numbers when requested by military recruiters. GPPSS also publishes student information via school sponsored or school-related media, including activities of the Grosse Pointe Foundation for Public Education. Parents or students, 18 years or older, who do not wish this information made public should click FERPA directory information button during K-12 online registration.

ESSA Support Label

The school has not been given a label for additional support under ESSA.

Nondiscrimination

The District shall not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category in its programs and activities, including employment opportunities.

The Superintendent shall designate not less than two compliance officers who are responsible for coordinating the District's compliance with applicable federal and state laws and regulations, and for investigating reports of discrimination. The Superintendent shall ensure that all required notices under the civil rights or other laws are provided to staff members and shall develop and implement administrative guidelines to enforce this policy.

For more information, visit: www.gpschools.org under School Board - Policy for the address and phone number of the office that serves your area, or call 1-800-421-3481.
