**LATEST SCORES AND UPDATES
ABOUT OUR FERRY FALCONS**

FERRY'S MISSION:

FERRY ELEMENTARY IS DEDICATED TO PROVIDING A HIGH QUALITY EDUCATION TO ALL STUDENTS. WE WORK COLLABORATIVELY WITH PARENTS, TEACHERS AND COMMUNITY MEMBERS TO ENSURE STUDENTS ARE PROVIDED WITH A VARIETY OF OPPORTUNITIES FOR LEARNING AND GROWTH THROUGHOUT THE SCHOOL YEAR.

FROM THE PRINCIPAL

Dexter M. Ferry Elementary is a welcoming and inclusive school community dedicated to helping every student achieve success while fostering a lifelong passion for learning. Our school serves 338 students who bring a wide range of talents, interests, learning styles, and abilities, creating a vibrant environment where every child is valued and supported.

Our instructional team includes twelve committed Young 5s through 4th grade classroom teachers who focus on building meaningful connections with students and families. Through thoughtful planning and purposeful instruction, they ensure learning experiences are aligned to academic goals while recognizing and developing each student's unique strengths. Ferry is also supported by four special education teachers who provide individualized instruction designed to meet the diverse needs of learners.

In addition, Ferry offers a Magnet classroom for students in grades 3 and 4, providing enriched learning opportunities that encourage curiosity, critical thinking, and academic growth. Our talented ancillary staff members are essential partners in supporting students, families, and teachers, helping to create the caring and collaborative atmosphere that defines our school.

At Ferry Elementary, collaboration, respect, and encouragement are at the heart of our culture. We value the unique contributions of every student and staff member and strive to create opportunities for leadership, creativity, problem-solving, play, and celebration both inside and outside the classroom.

The continued success of Ferry Elementary is made possible through the dedication of our students, staff, families, and community partners. Together, we have built a school community that we are proud to call home.

As Ferry Falcons, we remain committed to providing an exceptional, inclusive education and meaningful learning experiences that empower all students to thrive.

CORE CURRICULUM

Grosse Pointe Public School System engages in a continuous cycle of improvement grounded in collaboration, continuity, and commitment to guiding principles. We are anchored by our Vision: The premier educational community where we innovate, learn, grow and thrive together, and our Mission: to empower ALL students to reach their full potential through exemplary instruction, innovative experiences, and collaborative community engagement. GPPSS fosters an equitable educational community where every learner can realize their unique potential. Our goal is to offer students rich opportunities to develop the attitudes, values, knowledge, and skills to become engaged, contributing members of society.

Our district employs aligned practices to ensure curriculum, instructional strategies, and assessments work cohesively to maximize learning. All students access a rigorous, relevant curriculum aligned from preschool through graduation. A broad, innovative, and evolving curriculum meets diverse needs and challenges learners to reach their fullest potential. Instruction is differentiated and culturally responsive, rooted in best practices and research. We maintain high expectations while honoring flexibility, innovation, and individual teaching styles to ensure meaningful learning in every classroom, every day. Curricular adjustments are data-informed through ongoing districtwide assessments.

GPPSS curriculum is developed under the leadership of the Educational Programs Leadership Council (EPLC) — a collaborative body of teachers, parents, students, and administrators. Curriculum aligns with state standards across disciplines and integrates exemplary local and national standards. EPLC reviews curriculum committee reports and presents them to the Board of Education with recommendations for assessments, professional development, technology integration, and culturally responsive instructional strategies. GPPSS offers a wide range of Advanced Placement (AP) courses, engaging enrichment programs, and a comprehensive special education program to ensure pathways to success for all students. The Strategic Plan guides curriculum and instructional practice design and review. All curricular areas undergo a four-phase cyclical review process:

- Phase 1 – Curriculum review and study (currently Y5-5 Report Card, ELA grades 6-12, Technology Y5-12)
- Phase 2 – Goal and program development (Performing Arts/Drama, Business, Industrial Tech)
- Phase 3 – Implementation of new curricula
- Phase 4 – Ongoing maintenance and improvement

GPPSS supports a robust professional development program, combining teacher-selected opportunities with district-prioritized training. This promotes professional growth while aligning practices with district goals. We are committed to fostering a culture of modern learning and innovation, preparing students to thrive in a dynamic world. Our programs cultivate critical thinking, creativity, collaboration, and adaptability, equipping students for diverse future pathways. Emerging technologies are thoughtfully integrated to enhance learning, promote problem-solving, and encourage engagement — while keeping learning human-centered and grounded in real-world application. By embracing innovation, GPPSS empowers students to explore ideas, develop practical skills, and become adaptable, forward-thinking contributors to their communities.

SCHOOL IMPROVEMENT PLAN

Goal 1: By the end of the 2025-26 school year, we will provide aligned MTSS Tiered instruction and interventions in Reading, resulting in a 2-3% increase in NWEA or PSAT Reading scores school-wide from Fall 2025 to Spring 2026.

Goal 2: By the end of the 2025-26 school year, we will provide aligned MTSS Tiered instruction and interventions in MATH, resulting in a 2-3% increase in NWEA or PSAT Math scores schoolwide from Fall 2025 to Spring 2026.

Ferry's School Improvement Plan includes objectives and strategies that align with the district and school mission, as well as the approved curriculum. Staff development is an integral component of the ongoing school improvement process.

Assignment of Studies

The Board has determined attendance areas and students shall be expected to attend school within that area. A parent may request a transfer or appeal a placement decision on behalf of their student. The principal shall be responsible for assigning students to classes. In the elementary schools, the principal, in determining the grade level for any new student, may take into consideration the previous schooling of the student but may assign the student to a lower grade level or higher grade level, if in the principal's judgment such an assignment would be in the best interest of the student. In middle school and high school students will be assigned to counselors, classes and instructors by the building principal. GPPSS also has in place policies and guidelines for promotion and retention.
