

TUSKER TRACKS

A weekly, *trunkated* note from Dr. B

The Bronstein Brief

Today was Patriot Day in our schools and was the 9/11 Day of Service and Remembrance. Each of our schools honored and commemorated this solemn day in remembrance of those who lost their lives on 9/11 and in recognition of those first responders whose heroism must be remembered and taught.

Around the District

Ms. Sheehy's SHS Studio Art class began the year by making a visual contract. A return to finger painting brought out the creativity in students. While learning the layout and systems of the art studio, students got to know each other and Ms. Sheehy. Once their projects dry, students will add their words of promise to maintaining a respectful, collaborative and energetic environment.

Tusker Tidbits

By now, all students should have received a copy of the SCSD 2026-2027 physical calendar. If you or someone you know would like a copy, please reach out to Alison McCaffrey at amccaffrey@somer sschools.org to arrange pick-up.

Tusker Pride

We are so proud to celebrate Connor Sheldon, who has been named a Semifinalist in the 2027 National Merit Scholarship Competition!

Connor's recognition places him among an exceptional group of academically talented students from across the country. He will now have the opportunity to complete the National Merit Scholarship application process and compete for Finalist standing and one of approximately 6,700 National Merit Scholarships to be awarded in 2027.

We are incredibly proud of Connor and this well-deserved recognition of his academic excellence, dedication and hard work. Congratulations, Connor, we can't wait to see what comes next!

'Tails' of Triumph

Earlier this week, we welcomed our new Board of Education Ex Officio Student Members for the 2026-2027 school year, Senior Molly Cutler and Junior Elizabeth Castaldo!

During the school year, Molly and Elizabeth will bring their voices, perspectives and experiences to Board meetings. Their participation provides an important opportunity for student voice to help shape conversations about our schools and community.

We look forward to hearing from them and working together for another great year in Somers!
