

September 27,
1:30 p.m. - 3:30 p.m.

FAMILY NATURE QUEST

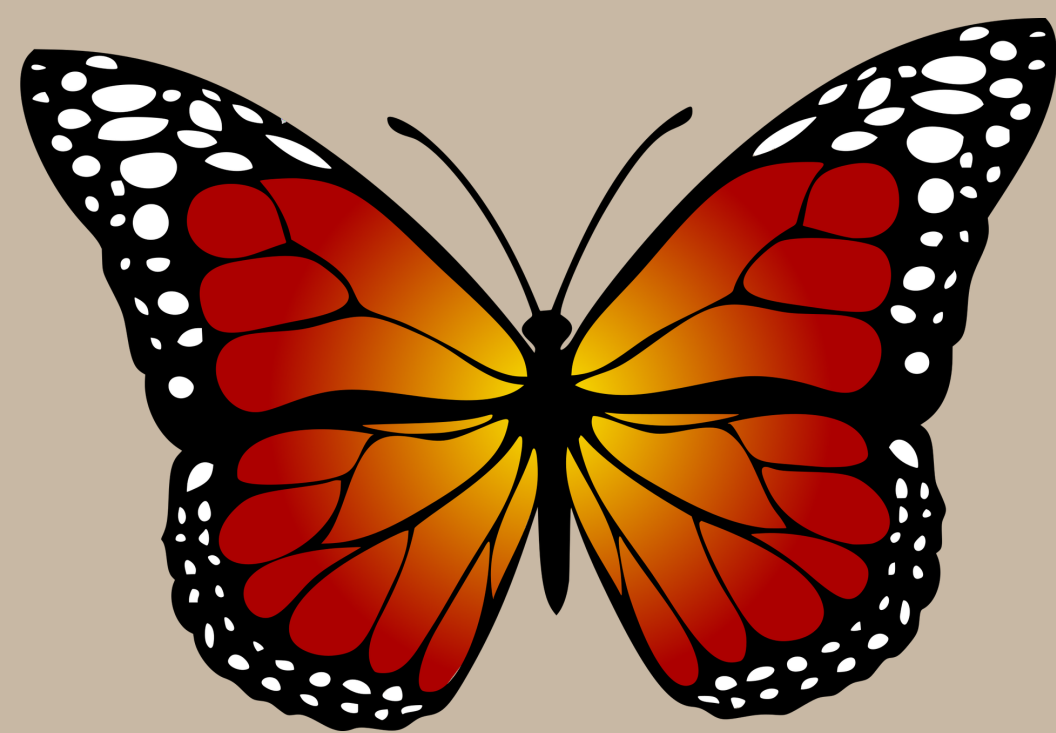

MARVELOUS MIGRATING MONARCHS

Stop by the BFEC to see our monarch butterflies before they fly away!

Drop in to learn all about monarchs: their life cycles, their favorite flowers, and their impressive flight across a continent.

Explore our self-guided Monarch Trail and use our nets to find, catch, and release butterflies in our gardens.
Meet at the picnic shelter.
