REGISTRATION AND PROOF OF RESIDENCY ARE REQUIRED.

## Location

Oak Creek-Franklin Joint School District Office
7630 S. 10th Street, Oak Creek

## Who can participate?

<u>To participate in the screening, children must meet all 3 criteria:</u>

- Children must be between the ages of 2 years, 9 months and 5 years old,
- Not currently attending 4K or 5K, AND
- Living in the Oak Creek-Franklin Joint School District boundaries

## About the Screening

This FREE developmental screening is for parents who have questions or concerns about their child's development. It is not a 4K readiness assessment and is not used to determine whether a child is ready for 4K.

Parents will be asked to complete a questionnaire regarding their child's development while the child participates in a play-based screening with an early childhood teacher, occupational therapist, and speech-language pathologist.
