Overview

Gateway College Prep, founded in 2009 to prepare students for a top tier university, is an open-enrollment public charter school serving K-12 students from Williamson County and north Travis County areas. The school offers an abundance of College Board Advanced Placement (AP), Honors and college-level courses (OnRamps and dual credit). Smaller and more intimate by design, Gateway provides a rigorous public school education that feels and functions like a private school.

Advanced Placement

A Gateway student will typically take 4 AP or dual credit courses throughout high school. 61.7% of Class of 2025 graduates earned college credit through success on at least one AP exam. Advanced Placement courses are offered in the following areas: Biology, Calculus AB and BC, Computer Science Principles, English Language & Composition, English Literature & Composition, Environmental Science, Human Geography, Macroeconomics, Psychology, Precalculus, Seminar, Spanish Language & Culture, Statistics, Studio Art, United States Government & Politics, United States History, and World History.

Class Rank

Courses that are counted in the grade point average for class in rank include credits from the following content areas taken in grades 9-12 as defined by the TEKS: English, mathematics, social studies, science, and languages other than English. Approved dual credit college courses within the core areas above are also counted in the calculation of GPA and class rank. Class rank is calculated at the end of a student's 9th grade year, and subsequently at the end of each semester in grades 10, 11 & 12.
