Parent Alert

September 13, 2026

Dear Parents and Families,

I am writing to share some personal news with you. After 25 years in education, I will be retiring from my position effective January 2027.

Serving this school community has been one of the greatest honors of my life. Each day, I have been inspired by the curiosity, resilience and growth of your children. It has been a privilege to work alongside such dedicated staff and to partner with families who care so deeply about their children's education and well-being.

Together, we have built a community grounded in respect, compassion and a commitment to helping every child find their voice and succeed. I am incredibly proud of all that we have accomplished and, most importantly, of the many ways our students have gone on to thrive beyond Newmark.

Over the next few months, I will work closely and collaboratively with our team to ensure a smooth transition and to make certain that your child continues to receive the support they need to be successful.

I leave Newmark with tremendous confidence in its future. The organization is well positioned for continued growth, supported by the experience and stability of seasoned leadership, together with the energy, vision and fresh perspective of a new generation of dynamic leaders. I look forward to watching Newmark continue to evolve and thrive.

I am profoundly aware that my decision to retire is rooted in giving myself the gift of time. I am excited to devote more time to traveling—not on school holidays!—and to enjoy the spaciousness that a less demanding schedule will offer, allowing me to spend more time with family and friends. I look forward to this next chapter with gratitude for the many relationships and memories I will carry with me.

Being of service as the Executive Director of Newmark has been the greatest privilege of my life. Thank you for your trust, your support and the opportunity to be part of your children's lives.

With sincere appreciation,

Cynthia Allman
