Magic Workshop (Years 1 to 3 of primary school)

N

This year we're launching our new Magic activity!

In this new after-school activity, pupils will learn amazing tricks whilst developing their speaking skills, manual dexterity, concentration and self-confidence. A fun way to boost their creativity and ingenuity.

- Timetable: Fridays at 1.30 pm.
- Price: €50 per month

Drama and physical expression (Infant)

In this activity, pre-school children will overcome their fear of public speaking, build their confidence and learn to express their ideas and emotions through movement and dramatic play. An adventure designed to boost their self-confidence, creativity and teamwork!

- • Timetable: Fridays at 1.30 pm
- • Price: €54 per month

3D design and printing

N

. Years 3 to 6 of primary school
Thursday at 1.00 pm

A practical and innovative activity in which primary school pupils will turn their digital ideas into real objects. Using intuitive, age-appropriate modelling software, they will learn to design their own creations step by step, whilst developing their spatial awareness, geometry and logical thinking. An excellent way to spark their interest in technology and creative problem-solving.

Price: €55 per month
