ISB COMMUNITY

ISB enrolls approximately 1,800 students on its Pre-Kindergarten to Grade 12 campus, located 25 km north of downtown Bangkok. All academic courses, with the exception of those offered in the World Languages department, are taught in English. The school is an open-enrollment independent school that prides itself on the diversity of its learners, of which just over 60% speak a language other than English as a primary language. ISB is accredited by the Western Association of Schools and Colleges (WASC).

Many of our students carry multiple passports and have lived in multiple countries. Our high school teachers are equally diverse in geographic and national origin, bringing a wide range of perspectives and cultures to the classroom. 86% of our high school faculty members hold advanced degrees.

CURRICULUM AND GRADUATION REQUIREMENTS

ISB offers its students multiple academic pathways. All ISB students earn a US high school diploma upon graduation, and 54% of the Class of 2027 are also enrolled in the International Baccalaureate (IB) Diploma Program. In addition, they have the opportunity to enroll in any combination of individual Advanced Placement (AP), International Baccalaureate (IB), Syracuse University Project Advance (SUPA), and ISB developed courses. All courses at ISB are rigorous and college preparatory.

Discover Explore Learn Volunteer Enrich (DELVE) is an experiential learning week which takes students throughout Thailand and Southeast Asia and into local communities where students experience unique learning experiences. These are usually built around deepening a student's cultural understanding or partaking in community service to enrich the communities they are working with.
