Financial Guide & Policies 2026/2027

Financial Policies

CCI is committed to being clear and transparent about financial responsibilities. Tuition and fees allow us to provide high-quality programs, safe residences, and full 24-hour support for every boarding student. To ensure fairness and stability for all families, and to protect the school's ability to deliver on its commitments, the following financial policies apply without exception. Families are expected to review these carefully before enrolling, as they form a binding part of the enrollment agreement.

1. Payment Obligations

All tuition and fees must be paid in accordance with the published schedule.

The €5,000 annual registration fee is non-refundable and secures the student's place for the year.

Enrollment is not considered final until the registration fee and first tuition installment have been received.

2. Late Payments

Accounts outstanding more than 30 days past the due date will incur a late charge of 1.5% per month (18% annually).

Accounts outstanding for more than 60 days may result in the student being withdrawn from campus, denied participation in classes and school activities, and not permitted to write examinations until payment is received.

3. Refunds & Forfeiture of Fees

Written notice of withdrawal must be received by May 1 (for Semester 1) or October 31 (for Semester 2) to qualify for any refund of tuition already paid.

After the applicable refund deadline, and in all cases once a semester has begun, all tuition and fees are strictly non-refundable, regardless of the student's application date, enrollment date, or payment date.

In the event of withdrawal at any point during a semester, full tuition and fees for that semester remain payable and non-refundable. No refunds are provided for:

Early departure for personal reasons (including homesickness or family decisions).

Voluntary withdrawal from trips, extracurriculars, or other included programming.

Expulsion or dismissal due to breach of the Code of Conduct.

Financial Policies Continued

4. Exceptions for Medical Withdrawal

In the event of a serious, documented physical illness or injury that makes it impossible for a student to continue studies, the school may, at its discretion, issue a partial credit toward future tuition.

Credits are only considered when supported by independent medical documentation from a licensed physician or hospital.

Mental health, addiction, and behavioural issues do not qualify for tuition credit under this policy, particularly where they result in withdrawal or dismissal under the Code of Conduct.

Any credit is applied to future enrollment only; cash refunds are never provided.

5. Currency & Bank Charges

All payments must be made in Euros.

Families are responsible for all bank charges, transfer costs, and exchange fees. The school must receive the full invoiced amount.

6. Additional Costs

Families are responsible for expenses not included in tuition, such as airfare, uniforms, health and travel insurance, supplies, extracurriculars not organized by the school, student visas, and uncovered medical expenses.

7. Financial Default & Enforcement

Failure to meet financial obligations may result in withdrawal of the student and legal action to recover outstanding amounts.

By enrolling, families agree to these policies, which form part of the enrollment contract.

What is included: Boarding

Tuition fees include:

- **Full academic programming** designed to meet Ontario Secondary School Diploma requirements.
