September 2026

Dear Parents,

On behalf of the faculty and administration, I wish to extend an invitation to attend our Know Your School Night program on Tuesday, September 22, 2026.

Classrooms will be open at 6:50pm. First period will start promptly at 7:00pm. **Please check with your child for their first period classroom number.** During this time, you will receive a copy of your child's schedule, and the teacher will outline the procedures for the evening. Any parents coming in after 7:10pm should report to the main office for a copy of their child's schedule.

Our objectives for the evening are to afford you an opportunity to visit our school, to meet the faculty members, to increase your knowledge of the course requirements and expectations, and to provide you with strategies to help you assist your child. The teachers will answer general concerns that you may have during the evening. Please make an appointment with your child's team or teacher should you feel it necessary to discuss your child's individual progress. Available appointment times will be distributed to you. There will also be someone to assist you with questions regarding the parent portal and the virtual backpack.

Parking for the evening is available in the parking lot at Baldwin Park or at Meadow School. Please adhere to parking regulations. Since both parking lots are a five-minute walk to the school, please plan to park no later than 6:55pm to avoid missing the first presentation. We ask that you do not bring your children, as space in the classroom is limited.

I hope to see you on September 22nd.

Sincerely,

Ms. Corinne Tumbarello
Assistant Principal
