BID FORM

PROJECT IDENTIFICATION: _____

CONTRACT IDENTIFICATION AND NUMBER: _____

THIS BID IS SUBMITTED TO: _____
(Name and Address of Owner)

1. The undersigned BIDDER proposes and agrees, if this Bid is accepted, to enter into an agreement with OWNER in the form included in the Contract Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Bid Price and within the Bid Times indicted in this Bid and in accordance with the other terms and conditions of the Contract Documents.

2. BIDDER accepts all of the terms and conditions of the Advertisement or Notice to Bidders and Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for forty-five (45) days after the day of Bid opening. BIDDER will sign and deliver the required number of counterparts of the Agreement with the Bonds and other documents required by the Bidding Requirements within fifteen days after the date of OWNER's Notice of Award.

3. In submitting this Bid, BIDDER represents as more fully set forth in the Agreement, that:

   a. BIDDER has examined and carefully studied the Bidding Documents and the following Addenda receipt of all which is hereby acknowledged: (List Addenda by Addendum Number and Date)

   _____

   _____

   _____

   b. BIDDER has visited the site and become familiar with and is satisfied as to the general, local, and site conditions that may affect cost, progress, performance, and furnishing of the Work.

   c. BIDDER is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, performance, and furnishing of the Work.

   d. BIDDER has carefully studied all reports of explorations and tests of subsurface conditions at or contiguous to the site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the site (except underground facilities) which have been identified in the Supplementary Conditions as provided in paragraph 4.2.1 of the General Conditions. BIDDER accepts the determination set forth in paragraph SC-4.2 of the Supplementary Conditions of the extent of the "technical data" contained in such reports and drawings upon which BIDDER is entitled to rely as provided in paragraph 4.2 of the General Conditions. BIDDER acknowledges that such reports and drawings are not Contract Documents and may not be complete for BIDDER's purposes. BIDDER acknowledges that OWNER and ENGINEER do not assume responsibility for the accuracy or completeness of information and data shown or indicted in the Bidding Documents with respect to underground facilities at or contiguous to the site. BIDDER has obtained and carefully studied (or assumes responsibility for having done so) all such additional or supplementary examinations, investigations, explorations, tests, studies, and data concerning conditions (surface, subsurface, and underground facilities) at

or contiguous to the site or otherwise which may affect cost progress, performance or furnishing of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by BIDDER and safety precautions and programs incident thereto. BIDDER does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the determination of this Bid for performance and furnishing of the Work in accordance with the times, price, and other terms and conditions of the Contract Documents.

e. BIDDER is aware of the general nature of Work to be performed by OWNER and others at the site that relates to Work for which this Bid is submitted as indicated in the Contract Documents.

f. BIDDER has correlated the information known to BIDDER, information and observation obtained from visits to the site, reports and drawings identified in the Contract Documents and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.

g. BIDDER has given ENGINEER written notice of all conflicts, errors, ambiguities or discrepancies that BIDDER has discovered in the Contract Documents and the written resolution thereof by ENGINEER is acceptable to BIDDER, and the Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performing and furnishing the Work for which this Bid is submitted.

h. This Bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm, or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization, or corporation; BIDDER has not directly or indirectly induced or solicited any other BIDDER to submit a false or sham Bid; BIDDER has not solicited or induced any person, firm or corporation to refrain from bidding; and BIDDER has not sought by collusion to obtain for itself any advantage over any other BIDDER or over OWNER.

i. (Any other representation required by Laws and Regulations.)

4. BIDDER will complete the Work in accordance with the Contract Documents for the following price(s):

LUMP SUM BID PRICE #1: _____ (use words)
(ASPHALT COURTS) $(_____) (use figures)

LUMP SUM BID PRICE #2: _____ (use words)
(PT CONCRETE COURTS) $(_____) (use figures)

Bidder can write in a lump sum price for either Bid Price #1 or Bid Price #2 or both. Bidder shall write in $0 if they are not interested in one bid price or the other.

All specific cash allowances are included in price(s) set forth above and have been computed in accordance with paragraph 11.8 of the General Conditions.

Required base bid quantities of the items listed below are set forth in the Specifications. If increases or decreases in these quantities occur the Contract Price is to be adjusted by Change Order as follows:

Unit Price (Per Spec Section 012200)	Unit for Adjustment	Adjustment Price Per Unit
Unit Price No. 1	CY	$
Unit Price No. 2	SF	$

All Unit Prices are described in more detail within specification section 012200 Unit Prices.

Adjustment prices are subject to acceptance by OWNER, and rejection of one or more adjustment prices will not invalidate acceptance of this Bid.

5. BIDDER agrees that the Work

will be substantially complete on or before July 15, 2027 and completed and ready for final payment in accordance with paragraph 14.13 of the General Conditions on or before August 15, 2027.

BIDDER accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work within the times specified in the Agreement.

6. The following documents are attached to and made a condition of this Bid:

a. Resolution of Board of Directors
b. Non-Collusion Form
c. Required Bid Security in the form of _____
d. Required BIDDER's Qualification Statement with supporting data.

7. Communications concerning this Bid shall be addressed to:

The address of BIDDER indicated below.
The following address:
