The payroll schedule establishes the timeline for processing various types of employee compensation and leave. While base salaries and hourly rates are converted to a standard daily rate and paid as annualized pay, the specific date ranges outlined in the schedule dictate when extra duty pay is processed. Additionally, these schedule ranges define the strict deadlines for submitting employee leave into the payroll system.

Substitutes/Bus Driving/All Extra Duty Timesheets are due to the Central Office Payroll Department on Mondays after the cut-off dates by 12:00 noon.

Any documentation turned in after the due date will not be paid until the next pay period.

Half of the voluntary insurance deductions will be deducted from each paycheck during the month.
