

Keefe Tech Commenting Guidelines

Keefe Tech's social media pages focus on celebrating and supporting our schools, students, and teachers, as well as sharing important news and communicating event information. We encourage you to share your support, connect with other supporters, and visit frequently for news and updates.

While everyone is welcome and encouraged to comment, our first priority is to protect students, staff, and community members. Comments and/or posts that do not follow these Commenting Guidelines may be removed.

We do not accept cyberbullying and/or posts or comments that are discriminatory, political, racist, sexist, abusive, profane, violent, obscene, spam, contain falsehoods or are off-topic, or that libel, incite, threaten or make ad hominem attacks on students, employees, guests, or other individuals. We also do not permit messages selling products or promoting commercial or other ventures. You participate at your own risk, taking personal responsibility for your comments, your username and any information provided. We reserve the right to delete comments or topics and even ban users if needed. Please be aware that all content and posts are bound by [Facebook's Terms of Service](#).

Keefe Tech encourages user interaction on its social pages but is not responsible for comments made by visitors to the page. Additionally, the appearance of external links, as posted by fans of this page or other Facebook users, does not constitute an endorsement on behalf of Keefe Tech. In most, if not all cases, external links posted by fans will be removed.

You should not provide private or personal information (phone, email, addresses, etc.) regarding yourself or others on this page. Any posts or comments containing personal information of this nature will be deleted.
