Guest Request for a student that does not attend Dr. Joaquín García High School

Last day to submit a Guest Request for approval is Monday, October 5, 2026

Guest Ticket Policy & Instructions: DJGHS students may bring one non-DJGHS student guest to the Homecoming Dance. All guests must be approved by DJGHS administration prior to ticket purchase and must currently attend a Palm Beach County public, private, or charter high school.

To request approval, turn in this completed form along with a clear copy of the guest's photo ID (displaying their picture and date of birth) to the Athletics and Activities Office by 3:00 pm on Monday, October 5.

Guest Expectations:

1. **The guest must currently be attending a Palm Beach County public, private or charter high school. Elementary and middle school students may not attend.**
2. The DJGHS student assumes full responsibility for their guest's actions and will be required to leave with their guest if the guest is removed from the dance.
3. Rules applying to DJGHS students regarding conduct also apply to their guests.
4. Dr. Joaquín García High School administration reserves the right to refuse any individual. Administration will consider previous disciplinary infractions and/or legal issues.
5. No one will be admitted to the dance who has not completed a signed contract or Guest Request Form. Do not have one guest complete the form and then bring another to the dance. The guest will be turned away.
6. **A copy of the guest's picture ID showing a date of birth and clear photo must be attached to the guest request.**
7. **All students and their guests must show a photo ID at the dance check-in.** Anyone without acceptable ID will not be allowed into the dance under any circumstances.
8. **All dance attendees MUST be appropriately dressed.** This is a semi-formal event. Please refer to the Dr. Joaquín García High School Homecoming Dance Dress Code.

Conduct:

1. Students and guests are expected to abide by the designated Homecoming Dance Dress Code.
2. Students are expected to attend the dance drug-free, alcohol free and tobacco free. **Upon arrival at the dance, students and their guests will be given a breathalyzer test.**
3. Anyone in attendance may be asked to empty his or her pockets or purse. Students and their guests are expected to comply upon the request of school administrators. Anyone refusing such inspection will be asked to leave the dance.
4. Any vehicles including limousines can be searched at any time. All passengers may be held responsible and given consequences for any illegal substance in the vehicle.
5. Anyone exhibiting unacceptable behavior as judged by a school administrator (fighting, smoking, inappropriate language, etc.) will be asked to leave the dance. Refunds will not be issued for students or guests due to disciplinary reasons.
6. Inappropriate dancing that is either provocative or sexually suggestive in nature will not be allowed. The discretion of the school administrators will prevail. Students may be subject to disciplinary action, including dismissal from the dance.
7. Any student or guest found to be in violation of school rules or any of the above mentioned policies will face disciplinary action and will be excluded from future activities.

Violator's Consequences:
DJGHS students who violate the drug and alcohol policy will be immediately ejected from the dance and face school disciplinary consequences. Parents or guardians will be notified to pick up the student within a reasonable timeframe. Any student found in possession of illegal narcotics will be referred to the School Police.

Non-DJGHS guests who break the policy will be removed from the dance immediately, and their parents or guardians will be contacted for prompt pickup. The incident will also be reported to the guest's home school administration. Guests in possession of illegal narcotics will be referred to the School Police.

If a non-DJGHS guest is removed from the dance, the DJGHS student who brought them will also have their parents or guardians called to pick them up, regardless of whether the host student personally violated the rules.
