Admission Season is Already Here!

Over the past several years, Episcopal Collegiate has experienced continued growth in both inquiries and applications. At the same time, we remain intentional about class size so that our students are known, supported, and able to fully engage in all that an Episcopal education offers. With that in mind, we encourage current families considering Episcopal for a sibling in the 2027–28 school year to begin the admission process early. Submitting an application is an important first step and allows our Admission team to work alongside your family as we move into our fall observation and shadow season.

Upcoming Admission Dates:

- Kindergarten Observations: November 2–5
- Pre-K4 Observations: November 9–12
- Pre-K3 Observations: November 17 & 19
- Grades 1–12 Shadow Visits: Beginning after October 23
- Early Admission Decisions: November 20

While an application does not guarantee admission, we want to make sure our current families are aware of the timeline and have every opportunity to complete the process as interest in Episcopal continues to grow.

We are grateful to have your family as part of the Episcopal Collegiate community and would be delighted to help you explore Episcopal for another child in your family. If you have any questions or would like guidance on next steps, please contact Director of Admissions Mary Jane Briggs at **mjbriggs@episcopalcollegiate.org** or Associate Director of Admissions Mahlon Martin at **mmartin@episcopalcollegiate.org**.

MS Athlete of the Week: From MS Cheer and Coach Baker"

We are kicking off our first 7th grade home game tonight and this group of 7th grade cheerleaders has been working hard to prepare for the season. Our season began this summer at cheer camp where they learned new cheers and dances. The team comes to practice every week ready to work. That is why it was very difficult to select just one MS Athlete of the Week.

This 7th Grade Cheerleader has been a true leader since she showed up for camp in July and has continued to shine. She always has a smile on her face and gives it everything she has. She also sustained an injury right before our first Pep Rally, but that didn't hold her back. She still put that smile on her face and got out there to perform. I'm excited to see the energy and excitement continue throughout the season. Congratulations, Louise Clark!

Follow Up From our Recent New Parent Meeting

Thursday's meeting for parents of students new to middle school featured remarks about executive functioning and helpful strategies for coaching/parenting our middle grades students from Catherine Radtke (Assoc. Head of Lower School / Director of Learning Support Services), Tiffany Hargrave (MS Counselor), and Melissa Wilson (MS Learning Specialist), and Chuck McCormick (Head of Middle School). We have **attached the handout here** so that any parent can check out some of the take-aways from this session.

Health Screenings

Health Screenings for 6th and 8th graders and all new students to Episcopal in MS and US will be September 15, 2026. Screenings will include: Vision, hearing, BP, height, weight, and scoliosis for 6th and 8th girls and 8th grade boys. The senior nursing students from UAMS College of Nursing will be assisting us this year with our screenings.

Please remind your student(s) to bring or wear their glasses or contacts for the vision portion of the screening. Scoliosis screenings will be performed using the privacy of the girl's locker room in the gym for ladies and the large Auxiliary Gym bathroom for boys. Girls need to wear a sports bra or tank top for the scoliosis screening as shirts are removed to observe the back. When performing the scoliosis test, the back is visible to the observers. The student will stand straight with hands to the side, then they will bend forward and the scoliometer will be used. The student's skeletal frame will be observed from all sides. Two nurses will be present for scoliosis screenings.

- If your child is under the care of a physician for scoliosis please let the school nurse know via an email by September 14, 2026
- If your child is under the care of a physician for scoliosis and it has been greater than 1 year since their last appointment, please follow-up with the physician and send the school nurse the upcoming appointment date and time by September 14, 2026

- If you do not want your child screened for scoliosis at school, and they are not currently under the care of a physician for scoliosis, you will need to get a current scoliosis evaluation from their physician and turn the report into Nurse Hopkins, ASAP. When you make the doctor's appointment, please send the confirmation appointment date and time to the school nurse by Monday, September 14 by 3:00PM, so they will not be screened for scoliosis

*Parents will receive a referral letter for further testing if there is an issue detected as a result of the screenings. **Please contact Nurse Hopkins** if you have any questions or concerns.

Rowing Meeting

Looking for a great sport for your child to start? Why not try rowing? It is a wonderful community and there is an upcoming interest meeting for students/parents in grades 6-9. Please view the below image, and should you have questions, email Coach Ted Riedeburg, rowcoachjax@gmail.com.

A Note from Dr. Graham

Dear Upper School Families,

Serving others is a core tenet of our school. On Wednesday during FLEX, members of our student-led service club, **Interact**, visited every Advisory group to review our annual service requirements, explain why service matters to our school community, and introduce students to upcoming service projects. Interact will continue sharing various service projects and opportunities with the entire student body. If your student has questions about fulfilling their service obligation, encourage them to speak directly with their Advisor, Dean of Students Ms. Self, or with a member of Interact.

Looking ahead to next week...

Wednesday will be our first Family Night of the year. As a reminder, Family Nights are intended to give students and families a break from the regular school routine. Students will not be assigned homework for Wednesday night or sit for any graded assessments on Thursday.

Also, please stay tuned for information about Fall Conference Day sign-ups. I will send you a note about Fall Conference Day, which is set for Friday, October 16th.

Have a great weekend!

See you out there,
Kellen

Updates, Reminders, & Action Items

Contact Us if Your Child is Absent, Late, or Checking Out

Parents, if your child is absent, arriving late to school for any reason, or needs to check out during the school day, you must contact the School and let us know. If your child is absent, please call the Main Office at 501-372-1194 ext. 3 and leave a detailed message, or email Selby Boyd at **sboyd@episcopalcollegiate.org**. Upper School students are expected to communicate any known absences in advance with their teachers, coaches, and advisor.

Planned Absences:

Parents should submit a written request for a planned absence to the Upper School Dean of Students, Grace Self, at gself@episcopalcollegiate.org at least one week before the absence, explaining the reason and the dates the student will be away from school. Ms. Self will provide students with a Planned Absence Form for their teachers to sign. Once the student has collected the signatures, they may return the form to Ms. Self.

Vine & Village Service Trips

For the fifth consecutive year, all Upper School students will participate in community service at **Vine and Village**, which operates a weekly food pantry in the University neighborhood each Tuesday. They feed hundreds of families a month, providing weeks' worth of shelf-stable, frozen, and fresh groceries. Led by Episcopal faculty advisors and administrators, our student groups help set up the food distribution, greet clients, and load cars. It's a good way for us to express our values of Respect, Reverence, and Responsibility by assisting our neighbors in need.

Every student will serve at least once at Vine and Village. The trip will count as two hours toward their service-hour requirement.
