Year Long Eppler Information

2026-2027 Attendance Information

Regular attendance and active participation in class are integral parts of a student's total education. Students can achieve educational benefits only through regular class attendance and a serious commitment to an educational program.

During the 2026-2027 school year Eppler Administration will be sending text messages and emails to parents/guardians about their student's attendance. Messages and emails may have a number or email address that you do not recognize. If the messages are about attendance and mention your student, it was sent to you by Eppler Administration.

Together, we know that strong attendance leads to stronger learning. When schools and families partner to make daily attendance a priority, students are better prepared to succeed—both in the classroom and beyond.

Cell Phone Policy

Utica Community Schools is committed to providing a high-quality education for students and a professional learning environment for staff—free from distractions—to support effective teaching, enhance student well-being, and maintain a safe, focused school environment.

Research studies indicate that cell phone use, particularly for social media and interaction, can interfere with a student's ability to focus on learning and can negatively impact students in many ways. Excessive use of cell phones and social media has been linked to lower academic performance, increased behavioral issues, and other conditions that hinder a student's ability to excel.

This policy prohibits student use of wireless communications devices on school grounds during instructional time. The Utica Community Schools Board of Education delegates to the Superintendent of Schools the responsibility for developing administrative rules and regulations for prohibiting the use of wireless communications devices during instructional time in accordance with the Michigan Revised School Code (MCL 380.1303a) and this policy. The Board of Education also recognizes additional restrictions may be necessary based on the age and/or grade level of the students.

Students are personally and solely responsible for the security of their wireless communication devices. Utica Community Schools is not responsible for the theft, loss, or damage of a personal wireless communication device.

The use of wireless communications devices (WCD) by students is prohibited while on school grounds as follows:

While junior high/middle school students may carry wireless communication devices on their person, the device should not be used, seen or heard, from the time a student walks into the school at the start of the day until the final bell at the end of the school day.

At all levels,

- a. WCD cannot be brought into testing rooms.
- b. Use of a WCD is permitted in school vehicles as long as it is not used to violate any Board of Education Policy or any other school rule and is used in a way that is respectful to those around them.
- c. Using the recording capabilities of wireless communications devices is prohibited without the expressed permission of a building administrator.

The following exemptions apply to the prohibition of wireless communications devices:

1. Medically necessary devices determined in a student's health plan.
2. District-owned devices, including, but not limited to, school-issued tablets and laptops.
3. Devices designated by the District to be used for instructional purposes.
4. Devices used for special education programming or devices provided as an accommodation to students as required under Section 504 of Title V of the Rehabilitation Act of 1973, 29 USC 794, or as part of an Individualized Education Plan under Title II of the Americans with Disabilities Act of 1990, 42, USC 12131 to 12165.
5. Lesson-specific academic assignments, at the limited and direct discretion of a classroom teacher.
6. Emergency situations, as described in the Utica Community Schools Emergency Operations Plan. Use of a wireless communications device must not interfere with school emergency protocols or the actions of first responders and must not endanger students or faculty.

Junior high/middle school enforcement mechanisms include:

- a. In the first few weeks of school, the expectations will be shared in rules meetings with students.***
- b. The first violation will lead to a warning letter, issued when the parent/guardian picks up the phone from the office, explaining what will occur if there are continued violations.***
- c. The second violation will lead to detention(s) to be served during lunch or after school.***
- d. The third violation and each subsequent violation will lead to a one-day suspension.***
- e. At all violation levels, devices will be confiscated and a parent/guardian must arrange for the device to be picked up.***
- f. To avoid multiple violations, students, parents/guardians and the building administrator can agree to a plan such as turning the device in each day in the morning and picking it up at the end of the day.***

Student responsibility for wireless communications devices:

Students are personally and solely responsible for the security of their wireless communications devices. The school system is not responsible for the theft, loss, or damage of personal wireless communications devices.

Lunch Deliveries : REMINDER

Food Deliveries: Food that is delivered by a service such as Door Dash or Grub Hub will not be permitted at Eppler. due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. we ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. However, if the food dropped off is from a restaurant, the student will be asked to eat it in the Main Office during their lunch hour. Coffee, smoothies, and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Eppler is aligning with Utica High in order to provide consistent expectations for our students. If you would like to apply for the free or reduced lunch program, or to establish a lunch account for your child, please click [here](#).
Thank you for your understanding and we appreciate your support.

Dress Code Rules - REMINDER

Dress code:

Please address the following dress code items with your child:

- Hoods/hats are not to be worn in the building.
- Clothing must not show bare mid-drifts, shoulders, cut too low or any derogatory or drug/alcohol messages.

Student Drop-off after 7:55

Parents, please be aware that there is often no need to come into the building when you are dropping off your child at school if they are late or after an appointment. The only reasons we will require you to come into the building are if you are picking up your child, for which you will need ID, or if you are dropping off anything for your child, which we ask that you label for their pick-up. Other than that, please feel free to stay in your warm and dry vehicle (on cold and rainy days) and enjoy whatever you may be listening to from your playlist! Thank you!!

School Safety

Safety remains a priority for our school. Eppler Junior High School is once again providing training to our students and staff on our safety protocols. The protocols identify actions that students may be asked to take in the event of a potential incident: hold, secure, lockdown, evacuate and shelter.

The protocols will continue to be part of the training while practicing our regular school safety drills, such as fire drills, security drills, tornado drills, evacuation procedures, etc.)

The video is available for you to review at this link: [UCS School Safety: Standard Response Protocol – Junior High - YouTube](#) If you have any questions, please contact our office.

Early Dismissal Procedures

We have a new process for early dismissals. When you arrive at Eppler please ring the bell at our Main Office door, let us know your student's name, show your id to the camera and we will let you in to our vestibule. With your cell phone please scan the QR code on the red "Scan For Early Dismissal" poster on the wall, type in the information requested, and we will call your student down to leave with you.

STUDENTS: You must come through the front office to exit the school.

How to Report an Absence

- When a student is going to be absent, parents/guardians should report the absence before the school day begins. Calls to the attendance line can be made 24 hours a day, seven days a week. The Shelby Attendance Line is **586-797-2799**. Absences will be input to PowerSchool by 4:00 pm on the date of the absence.
- Per UCS policy, the following reasons for an absence will be accepted as an excused absence; student illness, hospitalization, doctor ordered bed rest, mandatory court appearance, death in the immediate family, family vacation, medical appointments and administrative permission. **All other absences will be unexcused.**

Homework Club

EPPLER JUNIOR HIGH 2026-2027 AFTER-SCHOOL HOMEWORK CLUB

At Eppler Junior High School, we want to help your child have a successful school year. The Homework Club will be available on **Tuesdays and Thursdays** from 2:55 PM to 3:55 PM in the Eppler Media Center. Students can use this time to get academic assistance, complete assignments, work on projects, and/or study for tests. A few high school tutors are usually available.

Each student should bring all necessary materials and books to the media center by 2:55 PM. **Please be advised that if a student comes to Homework Club with nothing to work on, they will not be admitted to Homework Club that day.** All students will be expected to remain in the Media Center until 3:55 PM. Students will need to sign in each day that they participate. Phones use will not be allowed during Homework Club. Students need to arrange for their own transportation home and may use their phone, if needed, to contact their ride at the end of Homework Club. *Supervision will not be available after 4:00 PM.*

If you would like your child to be able to attend Homework Club, please complete the bottom portion of this form and have your child bring it with them the first time they attend Homework Club (only one slip is needed, and the student may come as often as they like for the school year). **Phone calls, emails, and other notes will not be accepted in place of this signed permission slip.**

If you have any questions regarding Homework Club, please contact your child's school counselor (Last names A-K: April.Raupp@uticak12.org / Last names L-Z: Autumn.Blanchard@uticak12.org).

EPPLER HOMEWORK CLUB PERMISSION SLIP 2026-2027

My child, (please print) _____, grade _____, has my permission to participate in Homework Club. I understand that I must provide transportation for my child at the end of the session. **My child understands that it is their responsibility to arrive on time, to bring all necessary materials to the Media Center, and to be prepared to work.** My child also understands that Eppler Junior High school rules apply and will be enforced. Misbehavior, sleeping, or refusal to work can lead to dismissal from being a participant in the Homework Club. Students will sign in, and if I ever want to verify my child's attendance, I will contact my child's school counselor.

We are asking for your support to help keep our students safe.

- All visitors to the classroom areas of our school are now being asked to swipe their driver's license or government issued ID before entering the main part of our building. This swipe will quickly provide an updated check against national sex offender registries. This process is for anyone who is going past our school office for any reason.
- If you are planning to volunteer in our classrooms or work directly with a student, you will need to have a volunteer background form on file. The form is located at this link. The background check involves multiple state and federal law enforcement data bases.

STUDENT ASSISTANCE

CARE invests in youth by working with the community, school personnel and parents to promote the healthy development and education of young people.

CARE's Student Assistance

- Does your child/student have difficulties at school or in other social settings?
- Have you noticed a change in your child's/student's behaviors and/or attitudes?
- Are you concerned that your child/student may be using alcohol or other drugs?

CARE of Southeastern Michigan understands the struggles that families are facing today. Despite all efforts, when a family is in crisis because of substance use or social and emotional health concerns, there is a greater likelihood that a young person will experience difficulties. Student Assistance offers students and their families guidance and support.

Student Assistance Clinicians specialize in at-risk issues such as substance abuse and mental health problems. A qualified Clinician will conduct initial screenings and assessments to determine the extent of a student's problems and provide resources to best help the student and their family. Students and families will receive assistance in gaining access to the most appropriate service for their area of concern.
