Install, then open

When you open the app, you will be asked if the App can send you notifications. Accept or Decline (you can always view them later if you do not want to be pinged right away.)

You will then be asked to login.

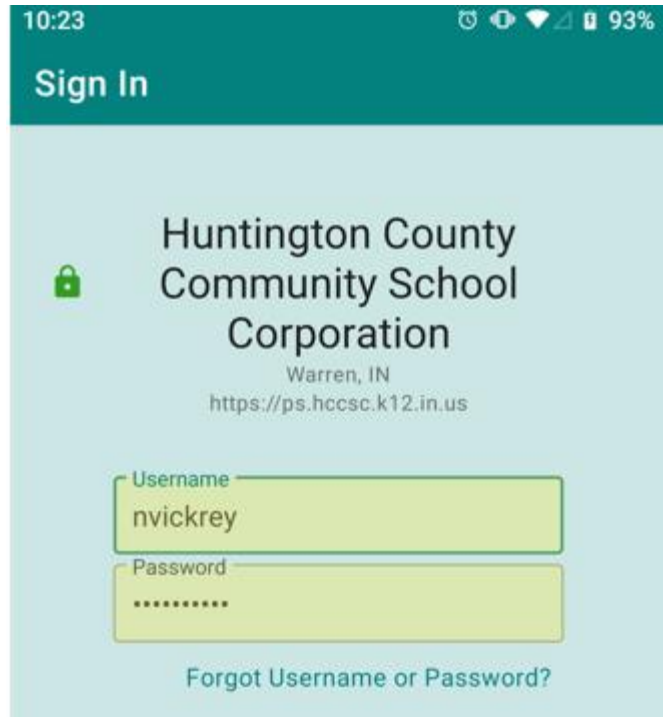

The HCCSC District Code is **XXHN**

The username and password are your **PowerSchool** credentials like you would use when registering students.

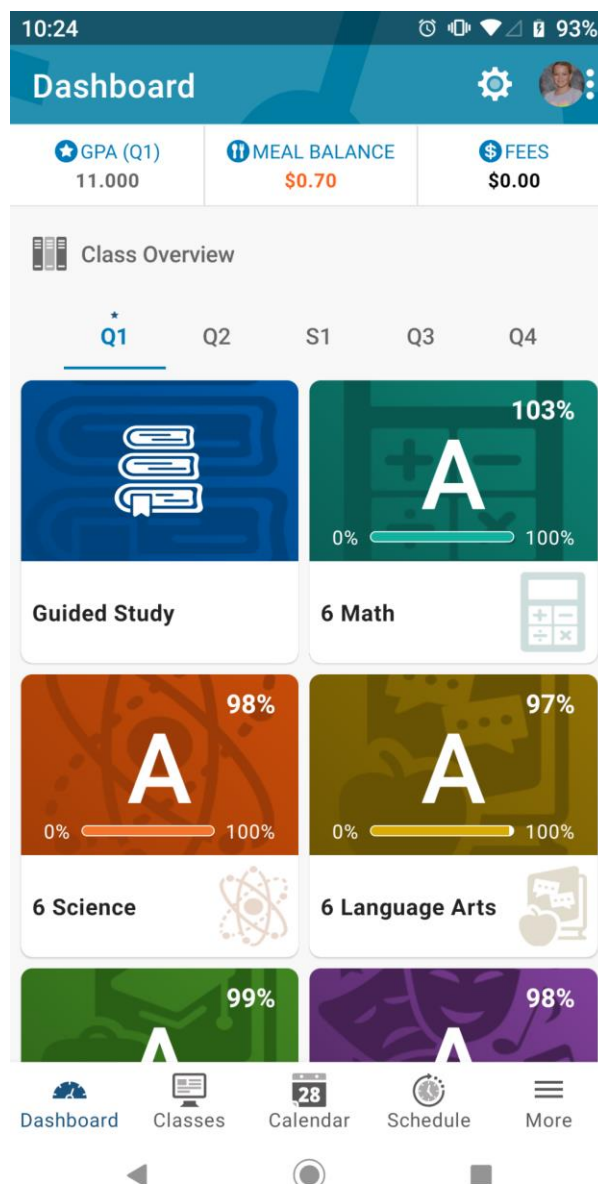

If you forgot your login credentials, **use the links there to recover**.

If you have not created an account yet (rare), please **see your school secretary**

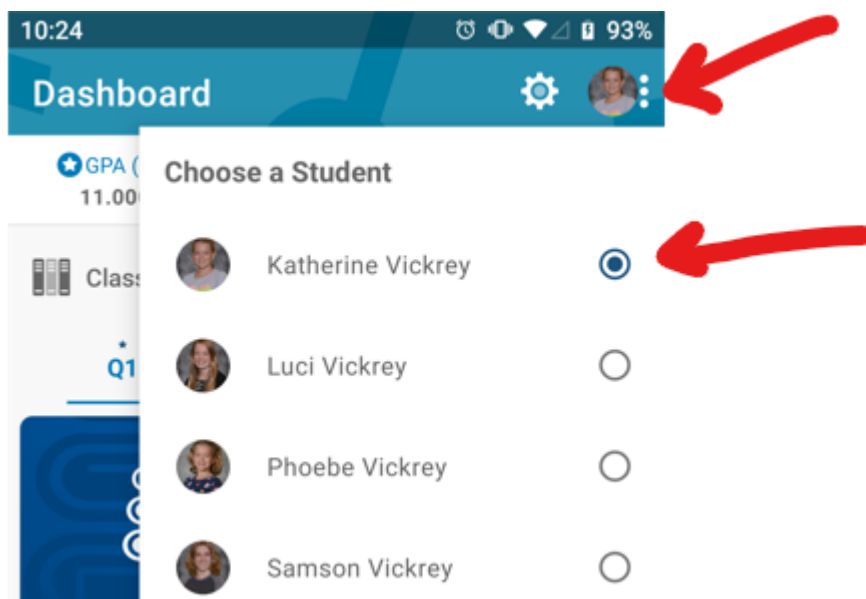

The screenshot shows a mobile application interface for signing in. At the top, a teal header bar contains the time '10:23' and various status icons (alarm, location, signal, battery) with a battery level of '93%'. Below the header, the word 'Sign In' is displayed in white. The main background is a light blue gradient. In the center, the text 'Huntington County Community School Corporation' is shown in a dark font, with a small green padlock icon to its left. Below this, it says 'Warren, IN' and the URL 'https://ps.hccsc.k12.in.us'. There are two input fields: 'Username' with the text 'nvickrey' and 'Password' with masked characters '*****'. Both fields have a green border. At the bottom, there is a link that says 'Forgot Username or Password?'.

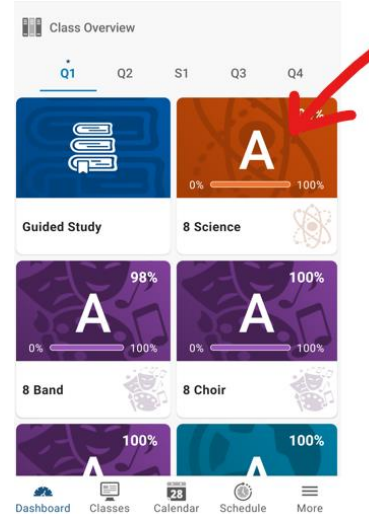

You will be taken to your Dashboard, where all student information can be found.
