CYE Mission Statement

Cypress Elementary staff is dedicated to meeting the educational needs of all students in a safe learning environment.

Spotlight on Kindergarten

Our Kindergarten Team is off to a great start! Students have been busy learning classroom routines, building friendships, and developing the skills they need for a successful year.

Our Kindergarten classrooms will focus on building strong foundations in early literacy and math while encouraging independence, creativity, and a love of learning. Through engaging lessons, hands-on activities, and daily practice, our youngest learners are already beginning to grow and soar!

Families can support learning at home by reading together each day, practicing letters and numbers, reinforcing routines.

We are excited for a wonderful year!

Attendance Counts

Parents, please help your child maximize their instructional time by ensuring they are in class and ready to learn by 8:00 a.m. every day. Thank you for your support!
