DEXTER COMMUNITY SCHOOLS

Education and Nutrition Benefits Application

We need your help! Please complete the Education and Nutrition Benefits form today!

Although Michigan is providing free lunches again this year, we still need families to complete the Education & Nutrition Benefits form, which offers Dexter students so much more than free lunch.

Additional District Funding

Michigan uses information about students who qualify for free or reduced-price meals to determine eligibility for certain state and federal funding programs.

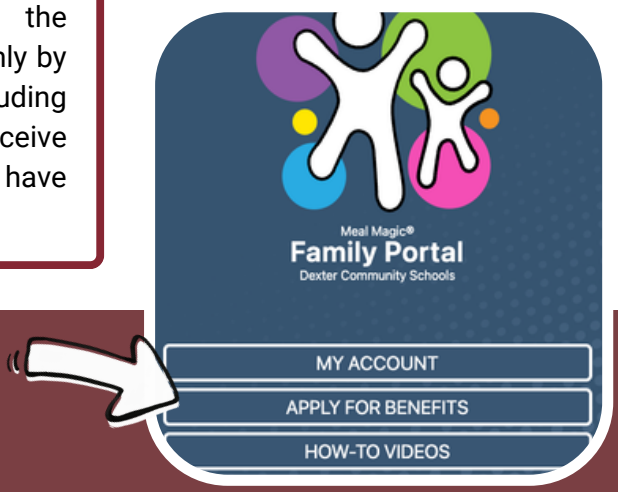

Qualify families for other school benefits.

Eligibility info may be used to determine whether a student qualifies for things such as Pay to Play waivers, field trip assistance, testing fee assistance and other supports.

Automatically qualify students for other benefits.

For example, Michigan's Summer EBT program automatically applies benefits to children who have been approved for free or reduced-price meals through the school.

Your privacy is important. Information provided on the Education Benefits form is kept confidential and is used only by authorized staff, for purposes permitted by law, including determining eligibility for benefits and helping schools receive funding. Teachers, classmates, and other families do not have access to your family's financial information.
