International Baccalaureate

**INQUIRERS • KNOWLEDGEABLE • THINKERS • COMMUNICATORS • PRINCIPLED
OPEN-MINDED • CARING • RISK-TAKERS • BALANCED • REFLECTIVE**

International Baccalaureate at Alpharetta High School **empowers** students to learn and think for themselves. We want students who **wonder** “what if” and then chase down the possibilities. We move beyond memorizing basic “who” and “what” and delve into **understanding** “how” and “why”.

International Baccalaureate at Alpharetta creates a **community** for students who push each other to be their best selves, not just with academics but as people. People who no longer just wonder “what if”, but go out and **change things for the better**.

[IB] helped me gain master's admission and excel in graduate coursework...IB's emphasis on critical thinking has been essential in my eye disease research lab work and Children's Hospital volunteering.

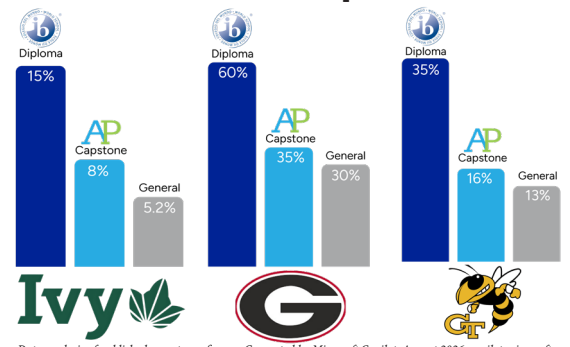

Hrinmai Manikandan, IB Class of 2023

Being in the IB program prepared me well for such a diverse college and well-rounded curriculum at the Naval Academy...The IB science classes that I took are actually the reason I chose my major, and I love it.
