

The Tartan Society

Supporting The Saint Thomas' Fund...

Impacting every STE student

Founded in 1955, Saint Thomas' Episcopal School is a leading classical, Christian school built on a mission that is committed to **forming honorable men and women through a classical education grounded in a Christian-centered worldview**. In addition to our mission, our values include *Honor, Christian Faith, Love, Discipline, Excellence, and Respect*. Each of these values further demonstrates our commitment to preparing students to live a life of meaning and substance.

STE has established *The Tartan Society* as a way to provide special recognition for our most generous donors to The Saint Thomas' Fund, the school's annual fund program. We have identified this program as *The Tartan Society* because the Scottish Arts Program is one of the most unique, recognizable, and longstanding traditions at STE.

Donors who make a direct gift to The Saint Thomas' Fund at *The Tartan Society* level understand the investment required to ensure STE students have the best possible educational experience. Academics, athletics, fine arts, Scottish Arts, and spiritual life are all key areas impacted by your direct gift to The Saint Thomas' Fund.

How does *The Tartan Society*, as a component of The Saint Thomas Fund, make a difference? Every aspect of our school is impacted by your generosity. Every contribution benefits every student and enhances their experience.

We encourage you to become a part of *The Tartan Society* by making a direct gift of \$1,000 or more to The Saint Thomas' Fund. There are several donor levels for your consideration. Join with many others who demonstrate their excitement for what's happening today and what the future holds by supporting our amazing students. Your generosity will make a difference this year and in years to come.
