

What is EZ Arrival?

Real-time bus location, arrival updates, important transportation notifications and more, delivered right to your phone.

EZ Arrival is a free mobile app that families can use to stay connected with their student's school bus. Open the app to see where the bus is on its route, when it's getting close, and any updates from the transportation team.

It's free to download, easy to set up, and available in multiple languages so families can use it in the language they're most comfortable with.

Real-time bus tracking

See your student's bus on a live map as it travels the route.

Helpful notifications

Get alerts for delays, route changes, and transportation updates.

Broad language support

Use the app in the language that works best for your family.
