

Fill the Shelves! Book Fair's Fifth Annual Service Event

Help Rebuild the KIPP Dream Prep Classroom Libraries!

Book Fair is excited for the Fifth Annual Fill the Shelves event, this year supporting the brand new classroom libraries at KIPP Dream Prep. Through Fill the Shelves, Kinkaid is committed to providing over 250 new books for their collection.

Founded in 2006, KIPP Dream Prep in Houston proudly serves students in Pre-K3 through 4th grade, providing a rigorous, well-rounded academic program designed to help every student reach their full potential. Through challenging, engaging instruction, students take an active role in their learning while developing curiosity, empathy, creativity, and a passion for growth.

Recently, KIPP Dream Prep suffered a fire that damaged several classrooms, including their classroom libraries. Because the school does not have a central library, these classroom collections are especially important—giving students daily access to books right where they learn.

Kinkaid Book Fair is helping them rebuild their shelves, and we invite our community to join us!

At Book Fair, a specially selected collection of 250 high-interest books for elementary-age readers will be available for families to purchase and donate to KIPP Dream Prep.

Beginning on Family Night, look for the KIPP Dream Prep display at Book Fair. Simply choose a book—or two or three!—and include them with your family's Book Fair purchase. Donated books will be collected at checkout and delivered to KIPP Dream Prep following Book Fair.

Thank you for helping our Kinkaid community fill their shelves again! Every book purchased will help rebuild a classroom library and put a great book directly into the hands of a KIPP Dream Prep student.
