a. Carpool - No more double carpool. Cars will run in two rows through the parking lot and then will zipper merge to one car line for student loading. This is a faster and safer way to load cars.
b. After School Programs - Due to the 1-year warranty on the school building there can be no after school school clubs - Chess, Let Me Run, Girls on the Run, Flag Football, etc. Clubs are looking into a workaround (off campus) so that students will be able to participate. The 5th grade play will not take place this year due to warranty, and the production company was not available this year. DragonFest will still be held, along with our Dragon Dance.

3. PTA Update (Crystal Thomann)

c. Shade for Playgrounds & Recess Equipment - PTA is in the process of meeting with Creative Playscapes to purchase shade sails for the playgrounds in the bus lot and the Kindergarten playground. They are in the initial approval process, and this will take at least 2 months. Soccer goals have been purchased, along with sheds for recess equipment for the lower field. The shed will have a lock that will be accessible to teachers.

4. Additional Items/Questions (all)

d. Beginning of Year & Transition - There has been lots of logistics with the move and we are still working to ensure we are feeling like the Dilworth we know and love. The Dragon of the Week bulletin boards have been ordered and will be hung in the entrance by the Media Center. Mrs. Fergusson is working to get our news up and running as Safari Montage is no longer an option. We will move our news to a private YouTube channel that can only be accessed by staff. We hope to have this up and running by Curriculum Night (10/1).
e. Lunch - Parents will be able to come to lunch once a quarter (2 adults at max, no children). The 1st option for lunch will be outside the cafeteria (weather permitting), and then the tables outside the 4th grade classrooms.

f. Pre-K program - The Pre-K program(Bright Beginnings) will remain at Sedgefield Montessori. They are no longer under Dilworth and Principal Crawford.
