Create a College Board account or update your existing one

If students do not yet have a College Board account, they should create one now, so that they can easily register for their AP exams in the school year. Students can create an account at www.collegeboard.org. However, many students may already have an account. If you already have an account, **DO NOT** create another account. If you cannot log into your College Board account, you need to call College Board at 866.630.9305 to gain access to your account.

Here are some helpful hints for setting up your account or updating your information if you already have an account:

- Make sure it's the student's legal name that is on the account! This may seem obvious, but we have known quite a few parents who have created accounts to view scores; and have accidentally created an account in their name. You don't want mom or dad's name on your AP scores when you apply to college! Students have also created accounts with their nicknames; it should be your full legal name.
- Students should use their *personal email* address associated with their account. This should not be their Bloomfield Google Account (ex: bennyblackhawk@bloomfield.org). You will lose access to that email account when you graduate, and to see your scores or see your AP account, you need to use an email you will have access to.
- In the event you forget your College Board password, College Board will send you an email to reset it; you must be able to access that email. Students should not use a parent's email address. If you already have an account, please check the email address associated with it and update it if necessary.
- If you have problems logging into your account, please contact the College Board directly (866-630-9305). College Board is not connected to BHHS, and therefore will not allow the BHHS AP Coordinator to change or access the student account information.
- **Please put your College Board login somewhere in your phone – in the notes or a photo of the username and password. You will use this multiple times in high school, so you'll want to remember it.**

2026-27 AP exam fees

Below are the 2027 AP Exam Fees:

\$115 per AP Exam

\$20 for students approved for a Fee Waiver. (Families will need to fill out the [Nutrition and Education Benefits](#) form to see if you qualify.)

\$40 Late Registration Fee (after November 6, 2026)

\$40 Cancellation Fee for any cancellation after November 13, 2026.

No refunds will be given after November 13, 2026.

You must register on [College Board](#) AND [Total Registration](#) in order for your AP exam to be ordered. Both steps must be completed *by November 6, 2026, for exams to be ordered.*

Exam Ordering Information

Registration is a two-step process:

1) Complete the registration and payment on the [Total Registration site](#). If you have taken AP exams at BHHS in previous years, you should use your existing Total Registration account. Parents and students should both be present while registering to ensure that the correct exams are ordered. Please be sure to have a **credit card or debit card available before beginning registration.**

2) Complete the confirmation on the [College Board's My AP site](#) for each AP course. Enter the Join Code provided by Total Registration or your classroom teacher. You will then be prompted to fill out your registration information. Under each course click "Register for the exam" and indicate whether or not you plan to take the AP exam.

Here are the important dates for the registration process:

- Friday, November 6, 2026 at 3:00 pm - Regular Registration Ends
- Friday, November 6, 2026 at 3:01 pm late registration begins for all exams except AP Macroeconomics.
- Friday, March 5, 2027 at 3:01 pm - Late registration for AP Macroeconomics.

Each late exam costs an additional \$40 and must be paid in full at the time of ordering.

Earning Credit for AP Exams

Students may earn college credit for their AP courses, based on their exam scores. Each college has their own policies on how they award college credits for AP exams. Many colleges recognize a score of 3 or higher. Some colleges require a higher score so please use the credit policy linked below to search requirements for your college.

Using the [AP Credit Policy Search](#), students can see how their particular college or university awards college credits for AP. Students can search by AP Exam, or by College.

College Board/AP Classroom (My AP site)

All students enrolled in AP courses must enroll in the appropriate AP Classroom on the [College Board's My AP site](#).

During the month of September, your AP teacher will provide you with the join code(s) necessary to join the correct sections of your course.

**** Joining the AP Classroom is NOT the same as ordering the exam, even if you indicate on the CB site that you plan to test. You MUST follow the two-step registration process (registering in College Board AND Total Registration) by November 6th and pay in full for your exams in order for them to be ordered. If you do not pay for your exam prior to the deadline, an exam will not be ordered for you.**

AP STUDENTS

Joining Your AP Class Section

Use a phone, tablet, or computer to join your AP® courses online, so you can get feedback on your progress and register for AP Exams.

Write your join code(s) here:

Course _____	Course _____	Course _____	Course _____
Code _____	Code _____	Code _____	Code _____

1 SIGN IN

Sign in to [myap.collegeboard.org](#) with your College Board account. This is the same login you use to access your AP scores, PSAT/NMSQT® scores, or register for the SAT®. If you don't have a student account, click the **Create Account** link.

2 JOIN A COURSE

Click the **Join a Course or Exam** button. Before you do this, make sure you have the six-character join code from your teacher. You'll need it to join a class section.

3 SUBMIT YOUR JOIN CODE

Enter the join code your teacher gave you. Click **Submit**.

4 VERIFY COURSE INFORMATION

Make sure the information that comes up is for the course you're taking. If it is, click **Yes**.

5 FILL OUT REGISTRATION INFORMATION

The first time you enroll in an AP course in My AP, you'll provide registration information. It's important to be accurate. You only have to do this once. Check your information that's already shown and provide the remaining information. If your name, middle initial, or date of birth needs correcting, contact AP Services for Students after completing your registration. If you make changes to any other information in your AP Profile, you'll also need to sign into your College Board account to make the same changes.

6 CONGRATULATIONS!

You're enrolled in your AP course. If you're taking multiple AP courses, repeat steps 2-4 for each course you're taking this year, using the unique join code for each course.

7 ACCESS AP CLASSROOM RESOURCES

Now that you're enrolled, click **Go to AP Classroom** to access resources for your course. Click **Assignments** to see assignments from your teacher.

8 WATCH AP VIDEOS

In AP Classroom, you'll see AP Videos for many of your course topics and skills. Use them to preview, clarify, or review what you're studying in class. You can watch on your own or as assigned by your teacher.

College Board Account Tips

You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don't already have an account, please sign up at [collegeboard.org/register](#). A family member shouldn't create an account for you. Keep your account information in a safe place only you can access.

DO YOU ALREADY HAVE AN ACCOUNT?

All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or BigFuture® Opportunity Scholarships, you're all set.

IF YOU HAVE TROUBLE SIGNING IN TO YOUR ACCOUNT

- If you can't remember your login information, follow the **Need help signing in?** links at [myap.collegeboard.org](#).
- If a family member set up your account, ask them for the login information. You may want them to sit with you while you sign in.
- If you can't remember the answers to your security questions, see if a family member has them.

Exam Schedule

2027 AP Testing Dates

Week 1	8:00 am (7:30 Arrival)	12:00 pm (11:30 Arrival)
Mon., May 3, 2027	Physics C: Mechanics (3:00)	Biology (3:00)
Tues., May 4, 2027	United States Government (3:00)	European History (3:15) Microeconomics (2:10)
Wed., May 5, 2027	English Literature (3:00)	Physics 1 (3:00) Physics C: Electricity & Magnetism (3:00)
Thurs., May 6, 2027		Chemistry (3:15)
Fri., May 7, 2027	United States History (3:15)	Macroeconomics (2:10)
April 30, 2027 (11:59 pm ET) is the deadline for: - AP Seminar and AP Research students to submit their performance tasks as final. - AP Computer Science Principles students to submit their Create performance task as final. Mon., May 10, 2027	Calculus AB/BC (3:15)	Seminar (2:00)
Tues., May 11, 2027	Precalculus (3:00)	Statistics (3:00)
Wed., May 12, 2027	English Language (3:15)	
Thurs., May 13, 2027		Environmental Science (2:40)
Fri., May 14, 2027	Computer Science Principles (3:00)	Psychology (2:40)

Late testing dates are subject to approval.

Late Testing	8 am (7:30 Arrival)	12:00 pm (11:30 Arrival)
Mon., May 17, 2027	English Literature (3:00) European History (3:15)	
Tues., May 18, 2027	Seminar (2:00) United States Government (3:00)	United States History (3:15)
Wed., May 19, 2027	Biology (3:00) Microeconomics (2:10) Physics 1 (3:00)	
Thurs., May 20, 2027	Chemistry (3:15) Environmental Science (2:40) Physics C: Electricity & Magnetism (3:00) Precalculus (3:00)	Calculus AB/BC (3:15) Physics C: Mechanics (3:00)
Fri., May 21, 2027	English Language (3:15) Macroeconomics (2:10) Psychology (2:40) Statistics (3:00)	Computer Science Principles (3:00)

Exam Day Logistics

All communications regarding exams will be via your email. You should check this regularly to ensure you know when and where to report for your exams.

Morning Exams:

- **Report Time:** 7:30 am
- Report directly to your assigned testing room. Room assignments will be sent to your email.
- See the schedule above for anticipated end time for regular time exams.
- Lunch: Students will eat lunch before or after testing, students with 2 exams on one day plan on bringing their lunch or snacks for between exams.
- Extended time students and students taking two tests in a day should bring their lunch; you will not be able to access the cafeteria.

Afternoon Exams:

- **Report Time:** 11:30 am
- Report directly to your assigned testing room.
- See schedule above for anticipated end times for regular time exams. End times for afternoon tests are unpredictable, and may vary from those listed here. Extended time exams will end later.
- Make sure to tell your coach or advisor that you will miss practice/games/meetings, if applicable.

Two exams in a day:

You will need to bring a bag lunch. You will have an opportunity to eat (quickly, ~ 15 minutes) in a designated area between exams. You might also consider bringing a "snack lunch" that you can space out and eat during the exam breaks and the break between tests.

All Exams:

- Please be ready to go when you arrive! Pencils sharpened, stopped at the restroom, etc. Check the list of what to bring/not bring below. We will begin promptly!
- **Students cannot be dismissed early. All test takers must remain until the standard testing time is finished.**
- Students should bring with them only what is necessary for exams. In most testing rooms, we have very little extra space for student belongings.

What to Bring:

- Several sharpened No. 2 Pencils with erasers (not mechanical pencils)
- Pens (dark blue or black ink only)

- Calculator (Biology, Calculus, Chemistry, Statistics, Environmental Science, Macroeconomics, Microeconomics, Physics, & Precalculus.) - [be sure yours meets the requirements for your exam](#). No calculators will be provided.
- Layers of clothing (It could be warm or cooler. It's unpredictable)
- Water/small snack
- Bagged lunch - if you have two exams in the same day, or if you have an extended time test. You might consider bringing a "snack lunch" that you can eat during breaks if you are taking multiple tests.

What NOT to Bring:

- Backpack/Large Bag - if at all avoidable.
- Test Prep Books/Class Notes/Textbooks/etc. - These cannot enter the test room at all. Leave them at home.
- Cell Phones/Smartwatches - The official College Board policy is no phones in the testing room.
- Mechanical Pencils-The College Board prohibits the use of these.
- Anything that makes noise.

Class Attendance Policy on Testing Days:

- Students are excused for the entire day of exams.

Exam Cancellations and Refunds

We understand that on rare occasions, students must cancel an exam. Here is our refund policy:

- Students who cancel an exam by Friday, November 13, 2026, 3:00 pm are entitled to a full refund of the exam fee.
- After Friday, November 13, 2026, 3:00 pm, there are **no refunds**.
- Late fees are nonrefundable.

Any questions or concerns, please contact LouAnn Frantz, lfrantz@bloomfield.org
