

Foundations for Allyship

Oct 26th, Nov 2nd, Nov 9th and Nov 16th
4:30 pm to 6:00 pm

Join us for a welcoming and beginner-friendly workshop to explore basic concepts around LGBTQ2SIA+ identities, terminology, and inclusive practices in a supportive space.

Throughout four virtual sessions, we'll build community, develop shared language, and practice real-life allyship through activities, reflection, and discussion. Whether you're just getting started or looking to deepen your understanding, you're invited to join us in co-learning how to create school environments where everyone feels seen, respected, and valued.
