Notes:

Relocatable counts reflect Summer 2026 demolition work resulting in totals that differ from counts reported in the July 2025 EFMP.

* One local unit at each of these schools house school-based health centers and are not counted as classrooms.

** Leonardtown High School units in second entry represent units used for program spaces and are not counted as classrooms. If these units were not utilized for program there would be 1 local classroom and 3 state classrooms. The 3 state classrooms were previously included in the classroom count.

Bathroom units counted in unit count only.
