

Clark-Moores Title I Family and School Compact

Dear Parent/Guardian,

Clark-Moores is a wonderful place for young people to learn and grow. We embrace the phrase “Every Brave, Every Day” at our school, which means that we stress rigorous academic instruction, regular attendance, and positive attitudes. The faculty and staff are committed to the ongoing success of all students. We believe that to achieve these goals, the school’s faculty and staff, students, and parents must agree to work together collaboratively and communicate in effective ways. Several programs are in place to help us all succeed. For example, Clark-Moores houses a family resource center, a full-time nurse, and other support staff.

Clark-Moores is a Title I participating school. This means that federal funds are provided to the school to support the delivery of high-quality curriculum and instruction and to encourage parental involvement. We are committed to building a strong parent-school partnership. This will allow our parents and teachers to work together to achieve maximum success for all students. We recognize that you are your child’s first and most important teacher.

Research has proven that a parent’s continued involvement is essential for student success. A learning compact is an agreement among groups that firmly unites them toward a specific goal. This parent-school compact has been developed and approved by parents, teachers, and the Site-Based Decision-Making Council for the 2026-2027 school year.

Throughout the upcoming school year, you will be invited to participate in various school-related activities such as Open House and Parent-Teacher Conferences. All Site-Based Conferences are open to the public, and parents are encouraged to attend and participate as the council develops and approves policies/procedures. We hope that you will take every opportunity to partner with us at Clark-Moores to become involved in your child’s education.

Sincerely,

Jayson Langfels, Principal
