

EANES ISD BOND 2023: YOUR INVESTMENT AT WORK

BUILDING SAFER, STRONGER AND MORE EFFICIENT SCHOOLS

In May 2023, Eanes ISD voters approved a **\$131.4 million bond package** to address safety, maintenance, technology, energy efficiency and facility needs across the district. Today, that investment is making a difference at every Eanes ISD campus.

WHERE THE INVESTMENT IS GOING

\$117.8M

**MAINTENANCE,
SAFETY & EFFICIENCY**

\$2.4M

**STADIUM
PROJECTS**

\$11.2M

**TECHNOLOGY

BOND PROJECT HIGHLIGHTS

MAINTAINING OUR CAMPUSES

From roofing and outdoor spaces to facility systems and campus refurbishments, Bond 2023 is helping address critical maintenance needs and extend the life of district facilities.

SAFE & SECURE SCHOOLS

Bond 2023 continues to strengthen safety and security across Eanes ISD through improvements to security cameras, access controls, emergency communication systems, safety signage and other campus security infrastructure.

ENERGY SAVINGS & EFFICIENCY

Bond-funded projects are also designed to reduce long-term operating expenses, allowing more district resources to remain available for classrooms, staff and other priorities.

TECHNOLOGY FOR TEACHING & LEARNING

Bond funding supports student and staff devices, classroom technology, network infrastructure and district systems that keep teaching, learning and operations connected.

BCE & WHS

The portfolio is the **largest educational solar installation in Austin** and received the **Urban Land Institute (ULI) Austin Impact Award for Most Influential Project**.

SMART INVESTMENTS. LONG-TERM SAVINGS.

By reducing ongoing operating expenses, Bond 2023 investments like solar help preserve more resources for district operations and educational priorities.

ACCOUNTABILITY & PROGRESS

Your Bond Dollars at Work

- \$1.2M savings, rebates & incentives secured
- Prop A = 60% complete
- Prop B = 83% complete
- Prop C = 61% complete
- Approximately \$7.2M in unallocated interest earnings

WHY BOND FUNDING MATTERS

Unlike the district's Maintenance & Operations funds, **100% of local bond revenue stays in Eanes ISD and is not subject to state recapture.**

Using bond funds for major maintenance, technology and infrastructure projects also helps preserve operating funds for salaries, educational programs and the day-to-day work in our schools.

Thank you, Eanes ISD Community!

Your investment is helping maintain safe, efficient and innovative learning environments for Eanes ISD students and staff.
