ROCKET
Mascot Graphics

Below are examples of Rocket the Redhawk graphics that have been approved for use on t-shirts and other wearables, as well as school flyers. Unlike the Union Redhawks logo that is a registered trademark and has strict rules, mascot interpretations like the ones below provide a little more freedom and variation in design. [Please note: Rocket is a hawk, so no eagle graphics].

For quality control purposes, please contact Angie Davis, the U-Wear Store Manager at 918-357-7465 or davis.angelad@unionps.org to get approval for any designs featuring Rocket the Redhawk.
