

LITES

LONG ISLAND TECHNOLOGY & EDUCATION SUMMIT

Eastern Suffolk BOCES, Nassau BOCES, and Western Suffolk BOCES invite all K-12 educators to participate in the Long Island Technology & Education Summit (LITES). The focus of this conference is to promote the use of technologies to enhance critical thinking, problem solving, creativity, and imagination in the classroom. The Long Island Technology & Education Summit is a platform for sharing new ideas, innovations, and trends. This highly regarded annual conference has grown into a premier event for Long Island educators.

Keynote Speaker
Jere Chang

Jere Chang is an award-winning educator, keynote speaker, author, and digital creator with more than 4 million followers. Known for her engaging blend of humor, heart, and authenticity, she inspires audiences on topics including school culture, leadership, student engagement, inclusion, and educator well-being. A two-time White House invitee and international speaker, Jere is the author of the upcoming book *Becoming the Teacher I Needed* (Wiley, 2026) and has partnered with organizations such as LEGO Education, Microsoft, Amazon, and Coca-Cola to support educators and student learning worldwide.
