

Colleges offering **FREE Tuition**

Students must be **TEXAS Residents**, admitted, and have submitted FAFSA/TASFA to the college in order to qualify for these free tuition offers.

Keep in mind that **Free Tuition does not mean you get a free ride**. Other fees such as housing and fees are applied to your semester bills. However, free tuition takes the majority of the cost from your bill. This is a great deal so please take advantage of this opportunity and check out all the schools with these programs. (This list does not include college scholarships. Please check your college website for scholarship information.) Check the website for more information, deadlines, and any changes.
