C+	2.3	C	2.0	C-	1.7
D+	1.3	D	1.0	F	0.0

EDUCATIONAL OPTIONS

- **Advanced Studies Programs:** A wide variety of challenging academic courses are offered to students through the College Board. These include Pre-AP and 22 different Advanced Placement classes as well as 19 College in the High School classes through University of Washington, Eastern Washington University, Central Washington University, Bellevue College, Edmonds, Everett and Cascadia Community colleges.
- **WANIC:** Washington Network for Innovative Careers is a consortium of seven school districts that provide over 30 classes of skill training in technical fields to its students where they may earn special certifications at BHS, which recognize them as specialists in areas of CCR.
- **Running Start:** This community college agreement is for high school students to earn high school and college credit concurrently. Students attend classes on the college campus.
- **Special Services:** Students with special needs are provided support through this program.
- **Pacific Northwest College Credit:** Students earn high school and community college credit concurrently in many occupational education classes provided they maintain a 'B' average in the class.
