

Free Teen Car Control Clinic

Oct. 10 or 11, 7:45 a.m. to 4:30 p.m.
Emplify Health by Gundersen La Crosse Campus, Parking Lot F
Breakfast and lunch will be provided

The clinic teaches fundamentals of vehicle control during classroom sessions and behind the wheel exercises. Teens will leave with an increased sense of confidence in their ability to handle their vehicle as well as increased awareness of hazards on the road. We require that a parent/guardian attend the course with the licensed teen (16-19 years of age). You must use your own vehicle for the driving portion of the course.

A $50 deposit is required at registration, which will be refunded in full after completion of the program.

Scan to register:
Pre-registration is now required 2 weeks before clinic-Sept. 25.

For more information, please call (608) 775-3054.

This event, class or activity is not sponsored or endorsed by the School District and is not printed at District expense.

A special thank you to the Audi Club of North America, Courtesy Corporation, Caribou Coffee, Morrie's Auto Group, Shelby Fire Department and Anonymous Donor.

- Motor vehicle crashes are a leading cause of death for 15 to 20-year-olds.
- Of the 16-19 year old trauma patients seen at Emplify Health by Gundersen from 2010-2017, 66% of the crashes occurred because the driver lost control.
