Theme: Belonging and Participation

Good morning, students!

This week's attendance message is:

Belonging and Participation

Your school community is stronger when you're here!

Every day you come to school, you have the opportunity to participate in class discussions, work with classmates, learn new skills, and build friendships.

Your ideas matter.

Your voice matters.

Your presence matters

When you're absent, you miss important learning experiences and opportunities to connect with others. Being present helps you stay engaged, confident, and successful.

Let's continue making school a place where everyone feels welcomed, connected, and ready to learn.

Remember: Every day matters. Every student matters.

Science Fair is officially open! Please see Ms. Rallapalli in room 101 if you are interested in participating.

ATTENTION SENIORS! You have one chance to submit a senior quote. Of the 350 seniors who had their pictures taken at Cady Studios, your class must have 300 submit quotes or there will be NO SENIOR QUOTES this year. Please motivate your peers, if you want to take advantage of this opportunity! Click this LINK: [Senior Quote, Northview Class of 2027 – Fill out form](#)

Attention Students!

GAVS and FVS students taking an AP course: If you are enrolled in an AP course through GAVS or FVS, it is imperative that you check your FCS email TODAY! Students have already received your join code for your AP exam registration, and the majority of these students have not enrolled yet. Please note that this Friday, September 18 is the last day to register without incurring a late registration fee! See Dr. Bounds if you have any questions.

AP World Language (Spanish, French, German, Chinese): If you are a native speaker and are interested in taking the AP exam without taking the course, this Friday, September 18 is the last day to register for the placement test. Please email or see Dr. Bounds as soon as possible if you are interested in this.

AP Self-Study: Please remember that Northview's policy for self-study states that if we offer the course here at Northview, there is not an option to self-study for the exam.

AP Student Contract: If you are enrolled in an AP course (at Northview, through GAVS, OR FVS), you will need to complete the Northview AP Student Contract. This outlines the requirements, fees, and information about the AP Process at Northview. Please read the contract carefully, and sign and submit the form by Friday, October 2. You only need to complete the form once, listing all of your AP courses on one contract. AP teachers will also post this link into their Canvas for the course as well. [AP Student Contract](#)
