WELCOME, AGENT!

Congratulations! You have been selected to join the Holmes Middle School SCP Foundation Club.

Here, imagination meets investigation. You'll explore mysterious phenomena, create original case files, solve fictional mysteries, and work with other students to build a world of ideas.

SAME CURIOSITY.
A BRIGHTER TOMORROW.

OUR MISSION

To provide a safe, creative, and supportive space for students to read, write, investigate, and imagine through the SCP Foundation-inspired universe, while developing real-world skills in communication, critical thinking, collaboration, and creativity.

STRANGE IDEAS.
BRIGHT MINDS.

CLUB MEETINGS

Everyone is welcome. No bullying, teasing, or making fun of others' ideas.
