What is Title I?

Title I is a federal program that provides financial assistance to schools with high numbers of students from low-income families. The goal of Title I is to help ensure that all children meet challenging state academic standards.

How Title I Funds Are Used

Title I funds are used to:

- Provide additional instructional support
- Purchase supplemental materials and resources
- Support professional learning for staff
- Increase family engagement opportunities
- Support programs and strategies to improve student achievement

Parent Involvement

Parents are an important part of the Title I program. We encourage parents to participate in meetings, surveys, and other opportunities to provide input and help shape our school's Title I program.

Schoolwide Plan

Our schoolwide plan outlines how Title I funds are used to improve teaching and learning for all students. The plan is developed with input from parents, staff, and the community.

School-Parent Compact

The school-parent compact is an agreement between the school, parents, and students. It outlines our shared responsibility for improved student academic achievement and describes how we will work together to reach our goals.

SUCCESS
HAPPENS
TOGETHER!

As a School we will:

- Improve communication with parents through one mode of communication for each grade level.
- Have Parent/Teacher meetings to engage with parents and identify and target an individual focus area.
- Inform parents of and provide tutoring opportunities after school in reading and math to strengthen scholars in levels of proficiency and beyond.
- Provide parents with opportunities for training and education during Math and ELA parent workshops.
- Open the Resource room for opportunities for parents and students to check out and use at-home tools to improve student academics.

A Strong School
Builds Strong Futures!

As a Parent we will:

- Read and respond to emails and notifications coming from the school.
- Make appointments with teachers to gain an understanding of students' assignments and how I can help at home. Encourage Reading at home.
- Provide opportunities for our scholar to attend tutoring after school and engage with our scholar while reviewing notes from tutoring sessions.
- Attend SMS Math and ELA Parent workshops.
- Take advantage of the resources available in the School Resource Room.

Engaged Parents
Empower Scholars!

As a Student we will:

- Bring home notices and homework; read at home 20 minutes a day.
- Use self-monitoring strategies, with the support of the family and assistance from the teacher, to assess his/her progress on achieving academic achievement goals/learning targets related to content reading.
- Attend tutoring if needed, and ask our teacher, counselor, or parent for help.
- Ask my parent to check out resources for my benefit of learning and improving my academics.
