

WASHINGTON 2026

E-BIKE LAW UPDATE

Senate Bill 6110 goes into full effect

JUNE 11, 2026

Important changes to Washington state law for e-motorcycles and e-assisted bicycles.

E-MOTORCYCLES AND E-ASSISTED BICYCLES LAW WHAT YOU NEED TO KNOW

MUST HAVE PEDALS

All e-assisted bicycles must be equipped with fully operable pedals.

MUST BE 750 WATTS OR LESS

The motor's maximum power output must not exceed 750 watts.

UNASSISTED MOTION MUST BE LESS THAN 20 MPH, AND SPEED IS CAPPED AT 28 MPH

E-bikes must limit motor-assisted speed to 28 mph. Unassisted speed must not exceed 20 mph.

SENATE BILL 6110 GOES INTO FULL EFFECT JUNE 11, 2026

All provisions of SB 6110 will be in effect statewide starting June 11, 2026.

RIDE RESPONSIBLY. RIDE LEGALLY.

These changes help keep our roads, trails, and communities safe for everyone.
