Student Parking Rules and Regulations

Students who wish to drive must register their vehicles. Parking on campus is a privilege. The following rules have been established. Non-compliance can result in progressive discipline, fines and/or the loss of parking privileges. Students should be aware that unregistered or improperly parked vehicles may be towed at the student's/registered owner's expense.

- All students will register their vehicle(s) in the main office. A parking permit will be issued and must be displayed in the registered vehicle. The permit is to be displayed on the front window on the passenger side.
- There will only be one student-designated parking area, Camp 6 portables, due to restricted parking within Pt. Defiance Park.
- Speeding or careless driving in the parking lot will **NOT** be tolerated and will result in suspension of parking privileges. Please obey posted speed limits.
- PARKING PERMITS ARE NOT TRANSFERRABLE.
- Parking passes need to be renewed every school year.
- The expectation is students will park vehicle in student lot when arriving at SAMI and will not access vehicle until the end of the school day. Students are not to drive within the park during the school day.

ORIGINAL to Main Office; **COPY** to Student
