Paradise Valley Unified School District | Meeting Agenda/Minutes

BCES School Council Meeting

Date: September 14th, 2026

Time: 3:00 p.m.

Location: Virtual - https://meet.google.com/zxr-wuqa-vay

Facilitator: Jenna Blee, Principal

Committee Members Present:

- **Administrator Representative** – Kristen Clyder, Asst. Principal
- **Community Member Representative** – Jackie Flores (abs)
- **Teaching Staff Representative** –Corinne Forman, Amy Storz
- **Principal Representative** – Jenna Blee, Principal
- **Support Staff Representative** – Jene Santiago, Administrative Assistant
- **Parent Representative** – Nicole Bowman, Brigitte McKay, Leor Friedman, Jordan Olstead,, Jeff Gates

Purpose: We will have an understanding of facilities needs around the campus, school success planning, and policies for before/after school cell phone use.

Outcomes: We will have an understanding of the resources available that can be shared with families as needed.

Agenda/Minutes

I. **Welcome**
II. **Introductions: Staff and parent introductions.**

Staff: Mrs. Blee, Mrs. Clyder, Mrs. Storz, Ms. Vaz

Parents: Ms. McKay, Mr. Gates, Ms. Olstead, Ms. Bowman, Ms. Sheridan

III. **Facilities Walk Follow-Up**

District works on a lot of preventive maintenance throughout the school year and summers. They work based on site needs that are identified during site walk, and also for things that are in need of repairs or maintenance. During our last meeting, we discussed Bond Project wish list items. During our site walk it was discussed to extend our shade structure/ramada concrete area with shade on the

big playground. This will help eliminate the mud that accumulates on the field. For Day to Day needs- when work is needed, a work order is put in for the district to repair anything that is beyond our custodian's scope. Flags on the roof should come down 30 days after it is sealed. Work around campus was all addressed.

IV. School Success Plan- Beginning Stages

Target areas and set ELA & Math goals for each grade level to bring scores up where needed.

Shared action steps to accomplish goal: How data is gathered through PLC and Data Chats (analyze data), Progress monitoring. Inspect data for Math. K-2 and Grades 3-6 use Math Mimic (increase passing to 80%).

5th grade Science had the highest overall passing the AASA assessment (goal to maintain). New Science curriculum: Twig.

PBIS goal. BC awarded Tier 4 award! BCES earned a minimum of a Level 4 award. Including staff involvement and discipline data.

V. Cell Phone Policy- Gate to Gate (Mimic MTMS)

Few behavior problems in the morning regarding cell phones. Proposing to adopt MTMS cell phone policy where phones are off once they enter the school gate until the end of the day. Students are encouraged to reach parents through the office. Parent proposed a designated student cell phone area. Should students be allowed to check in with parents before they walk through the school gate? Mrs. Blee will go over the proposal with staff.

VI. For the Good of the Order

Mrs. Blee to share a Mission and Vision. A lot of schools use District Vision. Asking families what is important to their child's education. Vision to be shared first with Site Council, then to families.

Meeting was adjourned at : 3:35 pm
