

FIELD TRIP PERMISSION SLIP

Reardan High School

(Student's first and last name) _____ has my permission to take off-campus walking tours throughout the town of Reardan during their school day. I understand that these walking trips are an extension of the classroom and provide students with a break from their classwork to exercise throughout the day. I understand that students will be directly supervised by their teacher and may take them to locations such as the city park, the RStore, city hall and other points of interest.

My child's teacher will have their health form with them on these walking tours and has my permission to seek medical treatment if needed.

As parents, we fully understand the added responsibility of this field trip or activity and will not hold the district responsible for added liability.
