

RFH Students Excel on College Board's Advanced Placement Exams

Rumson Fair Haven Regional High School is proud to share the accomplishments of its students on the most recent Advanced Placement Exams given by the College Board. RFH offers 25 AP courses (full list below) across content areas, with some courses having multiple related AP Exams (i.e., students in AP Economics take both exams in Microeconomics and Macroeconomics). Almost 400 students participated in the exams last spring, roughly 51% of the total student body. With most students taking more than one course, the school administered 879 exams, 126 more exams than the prior year, over the two-week administration period from May 4 through May 15, 2026. Students earned a score of 3 or higher on an impressive 90% of exams taken.

In addition, the College Board bestows AP Scholar Awards to recognize high school students who have demonstrated exemplary college-level achievement on AP Exams. The following awards were given to exemplary RFH students based on their performance this past spring:

- 89 AP Scholars with Distinction (granted to students who received an average score of 3.5 or higher on all AP Exams taken, and scores of 3 or higher on five or more of these exams)
- 37 AP Scholars with Honors (granted to students who receive an average score of 3.25 or higher on all AP Exams taken, and scores of 3 or higher on four or more of these exams)
- 52 AP Scholars (granted to students who receive scores of 3 or higher on three or more AP Exams)

Rumson Fair Haven Regional strives to promote college, career, and life readiness among its students, and AP exams are one piece of that work. Students can earn college credit based on their AP Exam performance and are exposed to the pacing, depth of content knowledge, and workload of a college-level course while still in high school, an invaluable experience. RFH is extremely proud of the hard work, content mastery, and performance of their AP students this past school year!

RFH AP Course Offerings:

- *AP English Language and Composition*
- *AP English Literature and Composition*
- *AP Calculus AB*
- *AP Calculus BC*
