NOTABLE PROGRAMMING

+ LOYOLA SCHOLARS, THE HEIDER ACADEMIC & LEADERSHIP ACHIEVEMENT PROGRAM:

Loyola Scholars is a year-round, three-year program serving sixth- through eighth-grade males in the Omaha metro area who are academically talented, have leadership potential and whose households have significant financial need. After successful completion of all three years, scholars earn a full scholarship to Creighton Prep for their freshman year that is renewable each successive year based on academic and other standards. The first cohort of Loyola Scholars graduated from Creighton Prep in 2023, and in 2026, the Loyola Scholars celebrated its 10th year of programming.

+ TOMORROW LABS: Creighton Prep provides intentional space for innovation and creativity using advanced technologies. The space, equipment and staffing allow for course offerings in innovative technologies, robotics and computer programming. Among the top labs in Nebraska at the high school level, the ToMorrow Labs is a place where learning happens in an environment of collaboration, creativity and problem solving. In addition, co-curricular clubs and teams use the lab space. With emerging technology and rising student demand, the ToMorrow Labs was recently updated to include additional space for learning and robotics, a server farm and a virtual network.

+ CAMPUS MINISTRY AND RETREAT PROGRAM: Spiritual formation of our young men is at the core of the Creighton Prep mission. Retreat ministry has a privileged role in Jesuit institutions, and our students engage in a rich set of retreats over their four years. These retreats provide students with opportunities to examine their lives in a reflective and spiritual way, with over 100 juniors and seniors serving as retreat leaders.

+ JAY SQUADS: Jay Squads are composed of small groups of three to four freshman students intentionally paired with upperclassman leaders. They meet monthly with a goal of creating multi-dimensional relationships within the Prep community. The squads serve as a resource for all of the students' experiences at Prep and are designed to foster relationships, provide academic support, create a network for activities and develop leadership skills.

+ SERVICE AND SOCIAL JUSTICE: Prep students are called to be men for others. Service components are embedded into Prep's curriculum and retreat programming. In addition, Prep offers multiple clubs and activities that include service and community engagement.

+ ATHLETICS: Creighton Prep has a strong athletic tradition that contributes to the holistic education of our students. We offer NSAA-sanctioned sports in basketball, baseball, bowling, cross country, football, golf, soccer, swimming and diving, tennis, track and wrestling. In addition, we offer four club sports: hockey, lacrosse, powerlifting and trap shooting. Our intramural program allows students to participate in athletics in a recreational manner and fosters friendships. Creighton Prep is a 12-time NSAA Cup winner, recognized for having the most successful interscholastic activities program in the state. We have also received the Omaha World-Herald All Sports Championship title 25 times, including 19 of the past 26 years.
