

Educator Development and Performance Plan 2026-2027

Orientation for Teachers: Fall 2026

Before starting the video, please point out your building/program PDEC representative and acknowledge their work on the plan. Let your faculty know that their rep can answer any questions they may have on the evaluation process in general, and the Tiered Support Framework in particular (which is new this year.)

Video Length: 30 minutes

Facilitation:

The video itself is almost 30 minutes. There is only one discussion prompt built into the video.

If you would like to offer the opportunity for your staff to stop and discuss, here are a couple of suggestions:

Prompt
Alignment of goals. Pause the video and have a conversation about what this would look like in your school/program.
Allow time for teachers to process and ask questions about the concept of single point competency and elimination of rating.
