Superintendent Message

WELCOME BACK TO SCHOOL YEAR 2026-2027!

As we begin another school year at Gull Lake Community Schools, we want to thank the many staff members who have worked throughout the summer to prepare our schools, classrooms, programs, and learning spaces for our students. Their dedication and commitment help make GLCS a special place to learn and grow.

We are excited to welcome back our students, staff, families, and community members. As we begin the year, we remain focused on our commitment to **Read, Write, Speak with Purpose** while creating engaging, meaningful learning experiences that challenge students to reach their fullest potential.

This year, we embrace the theme Together We Will. Together, we will collaborate, share ideas, listen to one another, celebrate successes, and work through challenges. When students, staff, families, and our community come together with a shared purpose, there is no limit to what we can accomplish.

Together We Will!

BOBBI JO STONER
Assistant Superintendent of Curriculum and Instructional Technology
– bstoner@gulllakecs.org

There's a special kind of energy that comes with the start of a new school year—fresh routines, big goals, and that excitement of endless possibilities ahead. Whether you are a district parent or a valued neighbor in our community, welcome to the start of a new school year!

I'm thrilled to step into my new role as Assistant Superintendent of Curriculum and Instructional Technology. While the position is new, Gull Lake has been my home for 18 of my 26 years in education (most recently as the high school principal). I love this community, and I'm deeply invested in helping every student reach their full potential.

As we kick off the year, our central focus remains simple and strong—helping every single student read, write, and speak with purpose. You'll also see some new upgrades behind the scenes, like our new student system, Skyward, as we work to make learning and communication smoother for everyone.

Great schools take a whole community. I'm excited to partner with you all for an incredible year of growth!

MEET UP and EAT UP

We saw a tremendous turnout for Meet Up and Eat Up at Kellogg this summer! Students under the age of 18 were able to receive a free, nutritious breakfast and lunch every day through this program, served by our fabulous Chartwells staff. Several families joined us each day not only for meals, but for the reconnection with friends and community aspect as well.

Kellogg and Richland Elementary staff engaged in a book study centered around the book *"Your Students, My Students, Our Students"* during our back to school professional development week. Teachers collaborated at a high level to rethink some of our traditional practices and embraced a shared responsibility for ensuring every student feels seen, heard, and valued. This shared learning reflects a greater commitment to creating equitable classrooms and inclusive practices that support our youngest Blue Devils!

Robotics

Four groups of 3rd-7th graders spent a week building functioning fork lifts out of Lego Boost sets. They were able to program them and add parts as needed to help them do their job. Students also used Spheros to learn programming and used their creativity to design and build obstacle courses for the Spheros to navigate.

Summer Camp

1st-5th grade students enjoyed Camp Great Learning Summer School during the month of July. Students reinforced math, reading, and writing skills while engaging in other activities including guest readers and learning about service dogs from a trainer. Students also went home with a number of books to add to their home library thanks to our generous Gull Lake Foundation.

Welcome back, students, families, and community members, to what promises to be an extraordinary school year! Middle school is a uniquely vibrant chapter—a time of rapid growth, booming curiosity, and self-discovery as our young adolescents begin to navigate the world with greater independence. The GLMS Team considers it a profound privilege to walk alongside our middle schoolers during these formative years. Our dedicated staff is fully energized and committed to creating a safe, engaging, and academically rigorous environment tailored specifically to the physical, social, and emotional needs of this age group. Rooted in our core mission of **"Growing Learners, Becoming Leaders,"** whether it is inspiring critical thinking in the classroom, fostering kindness in the hallways, or encouraging participation in athletics and the arts, our goal is to ensure every student feels seen, supported, and empowered to reach their fullest potential. We are honored to partner with our community to nurture our leaders of tomorrow, and cannot wait to see all that our students will accomplish together this year!

SPANISH CLUB'S TRIP TO COSTA RICA 2026

This past June, the Gull Lake Spanish Club traveled to Costa Rica to enjoy the culture, food, language and rich biodiversity that make up this remarkable country. Some of the outdoor adventures the students and parents experienced included kayaking on Lake Arenal, ziplining through the treetops of Monteverde Cloud Forest, and rafting down the churning rapids of the Sarapiqui River. The trip was an amazing blend of culture, biology and outdoor activities highlighted by encounters with the diverse species of monkeys, birds, insects, and reptiles that call this unique country their home.

The Spanish Club will be having the first meeting on 9/24/26 at 7pm in room 2410 at GLHS for our next trip to Peru, Machu Picchu and the Amazon Basin in June 2028. If you cannot attend but would like information about this trip, please contact Deb Kuch at dkuch@gulllakecs.org.

Volunteer Opportunities Available!

Gull Lake Area Community Volunteers

Did you know that the Gull Lake Area Community Volunteers work quietly behind the scenes in our school district to raise money for students and families in need?

The GLACVs sponsor two amazing fundraisers each year: The "My Gal and I Spring Dance" held in March and the Richland Art Fair held at Gull Meadow Farms in July. The funds raised help provide medical, dental, and educational assistance for students, family emergency assistance, as well as our Fall Warm-Up and Bright Holidays programs where clothing, food, and personal care products are given to families for the holiday season.

If you are a hard-working individual with a kind heart, who enjoys volunteering, WE NEED YOU! We meet the 3rd Wednesday of each month at 7pm in the GLHS staff lounge. For more information **or** if you are in need of assistance, please log in to GLACV.org.

Gull Lake Area Community Volunteers and helpers enjoy the recent Richland Art Fair.

Gateway News

LYNNETTE WALKER
Gateway Academy Supervisor
– lwalker@gulllakecs.org

As we welcome the Class of 2027 to a new school year at Gull Lake Gateway Academy, our theme is **Gateway to Greatness**, grounded in three values that guide our work: Respect, Responsibility, and Resilience.

The artwork on our Gateway wall captures the spirit of this theme. Right now, the black wall is intentionally empty. As the year progresses, students will add their names and the classes they successfully pass. With every name and accomplishment, the wall will become less black and more filled with evidence of growth, perseverance, and success.

That same transformation happens in our students. Throughout the year, learning extends beyond the classroom through community service activities, art, writing, career exploration, and life-skills activities.

At Gateway, we believe every student has a path to greatness. We are excited to watch that path (and our wall) come to life throughout the year.

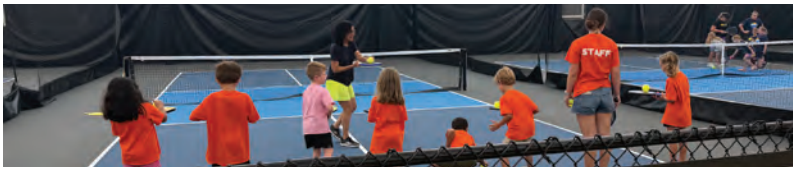
A Summer of Fun at Gull Lake Early Learning & AACC!

What a summer it was at Gull Lake Early Learning & AACC! This summer, we welcomed 120 students for 10 weeks filled with fun, learning, exploration, and unforgettable memories. Each week brought a new adventure as our campers explored themes including space, sports, Around the World, detectives, and so much more!

Our campers enjoyed exciting field trips to West Hills Athletic Club for pickleball, the Grand Rapids Public Museum, Maple Hill Splash Pad, Mooville, the zoo, and Craig's Cruisers. We also looked forward to swimming at Sherman Lake YMCA each week, which was always a favorite!

From new experiences to laughter with friends, our summer was filled with memories that will last a lifetime. We are incredibly proud of our campers and staff and are excited to welcome everyone back as we kick off a new school year with our before-and-after school programs and preschool programs for 3- and 4-year-olds.

Go Gull Lake!



2026 Transportation Emergency Preparedness

Several of our bus drivers were able to participate in an emergency preparedness training hosted by KRESA. They completed training on subjects like railroad safety, first-aid, wheelchair securement with emergency evacuation, and how to use a fire extinguisher. One of the training segments focused on just how fast a fire can travel through a school bus. This experience reinforced the importance of the practice evacuations they perform with the students multiple times throughout the year. These hands-on training opportunities help our drivers prepare for an emergency on their bus.

The script is imbued with humor and life and will make for an enjoyable theatre experience, and will run November 13-15.

In the spring, the company will perform Stephen Sondheim's beloved musical *Into the Woods*. This fairytale mashup musical may seem like child's play, but its deeper theme resonates with adults as well, as all of the characters deal with consequences, growing up, and life's mysteries. *Into the Woods* will be performed April 30-May 2.
