

USE OF SCHOOL FACILITIESPolicy

The school district will permit use of school facilities by educational, political, literary, cultural, religious, scientific, civic or recreational community organizations provided that:

1. The intended use of the facility by the organization meets certain established criteria; and
2. When required, a previously established fee is paid by the organization.

Providing every student with the best education possible is the primary function and responsibility of the board. Therefore, school-related functions will be given priority when it is necessary to use school facilities. However, the board is also vitally interested in helping out-of-school activities which support and supplement the efforts of this school district.

School facilities are often useful in carrying on the activities of various non-school organizations. Since many constructive educational activities take place outside the classroom, the administration should do as much as possible to encourage and aid the commendable efforts of many parents and citizens who work with youth to attain objectives which are similar to the goals of this school district.

Procedures for Use of School Facilities*Application*

All organizations must submit an application electronically through the District's website at least ten (10) days prior to the date of the meeting requested.

If the organization's request is one with regularly occurring dates, approval may be given for the entire schedule. Should a conflict develop with a school activity, the school district reserves the right to cancel the permission granted or to require a change to a mutually satisfactory date and time.

Although application by a minor is not acceptable, this does not prohibit the use of school premises by them, provided the application is made by a competent adult who will supervise and be responsible for the group.

RENTAL PROCEDURES

Community groups and staff members seeking room reservations, event reservations or building access must submit an official support ticket digitally through the district's Incident IQ platform. Paper-based or verbal facility agreements will not be considered valid.

Users must electronically sign all district use agreements, safety guidelines, and liability compliance terms directly inside the system prior to event approval.

The rental applicant shall provide a Certificate of Insurance naming Piedmont Public Schools as additional insured.

The certificate should contain a thirty (30) day notification provision to the certificate holder prior to cancellation or modification of the policy.

1. Are beneficial to the youth of the school district and to the programs of the school district; and
2. Do not result in an increased monetary burden on the citizens of the school district.

Accordingly, fees for the scheduled use of district-owned facilities and property shall be assessed and classified as follows:

3. Any activity that may be destructive or injurious to the buildings, grounds or equipment; or any purpose in conflict with school objectives.

Payment in Advance

All payments for the use of school facilities must be received at the office of the superintendent at least 72 hours in advance of the meeting time.

Responsibility of Applicant

The applicant and his/her organization will be held responsible for the proper use of the building, for payment for the use of school facilities, for the conduct of persons attending the meeting, and will see to it that activities are confined to the areas requested and to the hours agreed upon in the application. The organization's supervisor or designated representative must remain on-site during the entire activity and have in his/her possession a copy of the rental agreement. The applicant will indemnify the school district for any theft, loss or damage to school property over and above normal wear which might be expected from his/her use thereof and will make prompt payment for such theft, loss, or damage. An indemnity bond or a deposit may be required if circumstances warrant. It is required that users of school facilities will see that the activities are conducted at all times under competent adult supervision. The superintendent or his/her designee will be the judge of unwarranted damages to the school property.

All rooms or areas will be left in as good condition as they were found, except the usual accumulation resulting from normal building use. No applicant may sublet any part of the building area named in the application request. All applications for repetitious use of the school facilities will be renewed at the beginning of each school year and are subject to review by the superintendent.

Users of school property must assume responsibility for the safety and protection of the audience, workmen, and participants to the extent required by law. The superintendent has the right to require minimum limits of public liability and property damage insurance for all groups using any school facility and to require that there be evidence presented to the superintendent in the form of a certificate of insurance showing Independent School District No. 22 of Canadian County, Oklahoma, as an additional named insured.

In the event of an injury or emergency personnel being called to the site, a district official must be notified immediately.

Time Limits

The superintendent of schools or designee shall approve times for all meetings on school property.

Cancellations

Requests for cancellation of the use of school facilities must be received at least 24 hours in advance of the meeting time. Failure to do so will obligate the applicant and his/her organization to pay for all custodial and such other expenses as are incurred in opening the building for his/her use.

Cancellation of permission may be ordered whenever such action is deemed in the best interest of the school district. However, such cancellations will not be made except when unforeseen emergencies arise, and then with as much advance notice as possible. Permission may be canceled by the superintendent or designee if conduct or infraction of regulations warrant.

Holidays

As a general rule, school properties will not be available for use by outside organizations on school or national holidays. Should one or more meetings approved as a series of meetings fall on such days, such meeting dates will be automatically canceled for these days only. The superintendent or designee may, in his/her best judgment, authorize limited exceptions to this rule for good cause shown.

Non-School Days

School facilities will be available on non-school days, such as weekends and summer months, provided proper application is made and approved by the superintendent and provided such use is not a conflict with use of the facilities by school organizations or students.

Charges

Charges made for use of school facilities are not rentals as that term is generally used, but are based on the cost of operating expenses that would not otherwise have been incurred, such as utilities, supplies, maintenance of facilities, custodial and cafeteria services, as well as clerical services necessary to process each application. Such reimbursement charges are subject to change as the superintendent may deem necessary. With prior permission of the board of education, a fee in excess of operating expenses may be charged to a facilities user if such user is using school property as a part of a profit-making operation. Such fee will be set by the board of education after recommendation of the superintendent.
