6th-12th GRADE GIFTED & TALENTED EDUCATION PROGRAM FURLOUGH

This letter is to notify you of your student's furlough from Cleburne ISD Gifted and Talented (GT) Education services for the 2026–2027 school year. Cleburne ISD's current service model for students in grades 6–12 provides GT services through enrollment in Advanced, Honors, or Academic Dual Credit courses. To remain active in GT services, students must be enrolled in at least one course that meets this requirement. Our records indicate that your student is not currently enrolled in an Advanced, Honors, or Academic Dual Credit course. As a result, your student will be placed on furlough from GT services for the 2026–2027 school year.

A furlough from the Gifted and Talented (GT) Education program does not remove a student's GT identification; it temporarily places the student in an inactive status for GT services. If your student enrolls in an Advanced, Honors, or Academic Dual Credit course for the 2027–2028 school year, the student will re-enter the GT program and return to active status. If your student does not enroll in one of these courses for the 2027–2028 school year, the student will exit the GT program and will no longer maintain GT identification.

Please sign and return the attached form, and contact us with any questions. Thank you!

Sincerely,

Ross Green

CISD Secondary RLA & Advanced Academics Coordinator
