Access using the Skyward App:

1. If you are an existing user, go into the Skyward app, click the old account, click “Edit”, and then click “Delete”. If you are a new app user, skip to step 2.

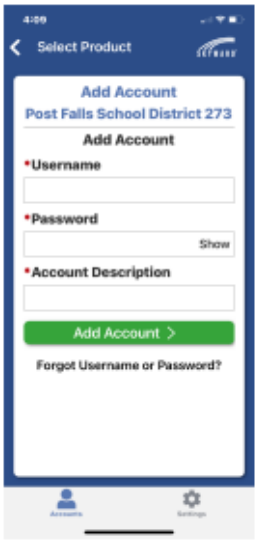

2. Go back into your main screen
    a. Click on “Add Another Account” or “Add an Account”
    b. Type in “Post” and Post Falls School District will pop up and you can click on it.
    c. The next screen will show two options; choose “Student Management”
    d. At the next screen, you will enter your username and password for Skyward/Qmlativ.

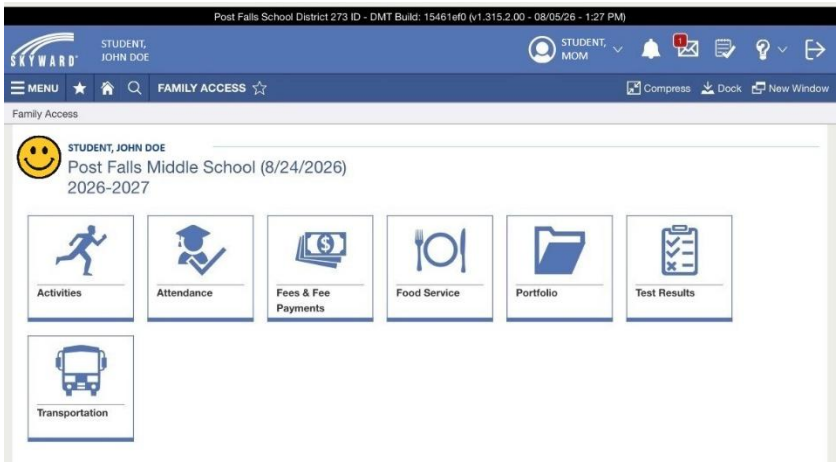

Logging in – what is my username and password?

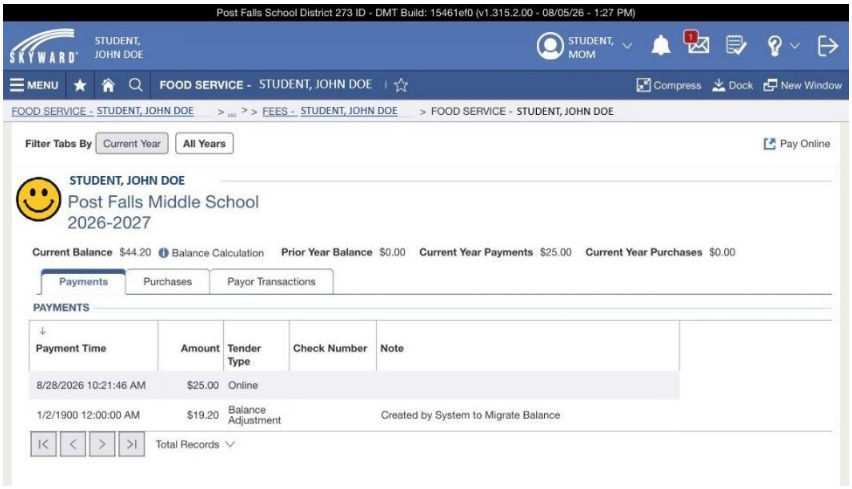

1. Your Username is set up as firstname.lastname by the district (e.g. samantha.smith). If you have forgotten your password, click “forgot password” and a reset email will be sent to the email address on file with the district.
2. If you have problems adding your account or logging in, please contact the school office.

Using Skyward/Qmlativ Family Access for Food Service:

1. Once logged in, on the home screen you will see the various tiles that you can interact with. You can click on “Food Service” to pursue payments and view purchases.

2. Your screen will show balance info as well as tabs to review payments, purchases, and transactions.
3. To make a payment, click the “Pay Online” area in the upper right corner of the Payments tab. This will direct you to RevTrak, the payment provider for Post Falls School District. Here, you will either log in to your existing account or create one to make all future payments.

4. Revtrak homepage will look like this ----------→
