1st - Student will be given a written warning and the student must submit a written explanation for the failing grade(s) to the chapter advisor, in addition to an in-person meeting. Students will have one week from the time of notification for this response and meeting.

2nd- Student is placed on probation until the next grading period in which the student can regain eligibility. If the student is unable to correct the deficiency then they will be presented to the faculty council for a hearing for further action. ***Please see dismissal procedures for the full process.*

Any student whose GPA falls below the required 90 percent will automatically be sent to the faculty council for a hearing and to determine probationary status. Once the student is notified of this we will follow the discipline and dismissal process.
